

PUBLIC HEARING INFORMATION

Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak **FOR** or **AGAINST** the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the board or commission may postpone or continue an application's hearing to a later date, or recommend approval or denial of the application. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

A board or commission's decision may be appealed by a person with standing to appeal, or an interested party that is identified as a person who can appeal the decision. The body holding a public hearing on an appeal will determine whether a person has standing to appeal the decision.

An interested party is defined as a person who is the applicant or record owner of the subject property, or who communicates an interest to a board or commission by:

- delivering a written statement to the board or commission before or during the public hearing that generally identifies the issues of concern (*it may be delivered to the contact person listed on a notice*); or
- appearing and speaking for the record at the public hearing; and:
- occupies a primary residence that is within 500 feet of the subject property or proposed development;
- is the record owner of property within 500 feet of the subject property or proposed development; or
- is an officer of an environmental or neighborhood organization that has an interest in or whose declared boundaries are within 500 feet of the subject property or proposed development.

A notice of appeal must be filed with the director of the responsible department no later than 14 days after the decision. An appeal form may be available from the responsible department.

For additional information on the City of Austin's land development process, visit our web site: www.ci.austin.tx.us/development.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Comments: We do not want these properties to be demolished. The beautiful part about clarksville are the old bungalows and the sweet church down the street losing these structures would take away character from the street. we kept our 1905 house historic and hope these properties will be under the same scrutiny we followed. Thank you!

Comments: **We want to keep the church**

and other historic buildings. The

lots here beautiful trees and history

that will be lost if this goes through.

9th Street already has enough traffic

and is constantly packed; adding a

new development will worsen

this problem. We have little children

who like to walk to the park and don't

want more cars. Thank you!

Comments: Please do not pass this development project. On Blanco street we already have seen a huge development happen, with a loss of trees and more traffic in the neighborhood. 9th Street is already very traffic filled and don't want a new development. Matthews School is a place where kids walk to and we want to keep our children safe in a slow moving street.

Comments: **Please do not demolish these structures, they are essential to the character of our street. We need to preserve as much as we can with all the change that is already happening all around us. We love the church and sweet bungalow houses. Please keep 9th Street and the sweet character it holds. Thank you!**

Comments: *please preserve the structures on 9th street. the church and bungalow houses make the street more historic. we have a house from 1905 and we worked hard to keep it historic. the comment will be at a loss if we lose these structures just to put up more new ~~new~~ buildings. Thank you!*
