RE: C14-2016-0136 (Broadmoor) Postponement Request

The staff would like to request a postponement to January 23, 2018 for the above mentioned case. The staff is asking for this postponement because a Transportation Impact Analysis (TIA) is required and the staff needs additional time to complete the Transportation review for this case.

The postponement request was made in a timely manner and meets the Planning Commission's policy.
