### RECITALS

**WHEREAS**, pursuant to Chapter 394, as amended, Texas Local Government Code (the “**Act**”) and this Project Loan Agreement, the Governmental Lender is agreeing to make a mortgage loan to the Borrower in the original principal amount of \$\_\_\_\_\_ (the “**Project Loan**”) to provide for the financing of a 174-unit low-income multifamily rental housing development located at 5900 Merle Drive in Austin, Texas and known as the Nightingale at Goodnight Ranch Apartments (the “**Project**”).

**WHEREAS**, the Governmental Lender is making the Project Loan to the Borrower with the proceeds received from the loan in the original principal amount of \$\_\_\_\_\_ (the “**Funding Loan**” and together with the Project Loan, the “**Loans**”) made to the Governmental Lender pursuant to the Funding Loan Agreement (the “**Funding Loan Agreement**”), by and among JPMorgan Chase Bank, N.A., a national banking association, in its capacity as Initial Funding Lender (the “**Initial Funding Lender**”), the Governmental Lender and the Fiscal Agent. The Funding Loan is being originated and funded by the Initial Funding Lender and is evidenced by the Governmental Lender’s Multifamily Note dated as of the Delivery Date (together with all riders and addenda thereto, the “**Governmental Note**”) delivered by the Governmental Lender to the Initial Funding Lender.

**WHEREAS**, the Initial Funding Lender, pursuant to the terms and subject to the conditions of the Funding Loan Agreement, the Construction Phase Financing Agreement and the Construction Disbursement Agreement, has agreed to originate and fund the Funding Loan to the Governmental Lender, which proceeds of the Funding Loan will be used by the Governmental Lender to fund the Project Loan to the Borrower pursuant to this Project Loan Agreement. The Initial Funding Lender will administer the Loans during the Construction Phase in accordance with the Financing Documents.

**WHEREAS**, the Borrower has agreed to use the proceeds of the Project Loan to finance the acquisition and construction of the Project and to pay certain Costs of Issuance with respect to the Loans.

**WHEREAS**, the Borrower’s repayment obligations in respect of the Project Loan will be evidenced by a Multifamily Note dated as of the Delivery Date (together with all riders and modifications thereto, the “**Project Note**”) delivered to the Governmental Lender, which Project

Note will be endorsed by the Governmental Lender to the Fiscal Agent as security for the Funding Loan.

**WHEREAS**, to secure the Borrower's obligations under the Project Note, the Borrower will execute and deliver to the Governmental Lender a Multifamily Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing (Leasehold) dated as of the date hereof (the "**Security Instrument**") with respect to the Project, which Security Instrument will be assigned by the Governmental Lender to the Fiscal Agent as security for the Funding Loan.

**WHEREAS**, the Federal Home Loan Mortgage Corporation, a shareholder-owned government-sponsored enterprise ("**Freddie Mac**") has entered into a commitment with Bellwether Enterprise Real Estate Capital, LLC (the "**Freddie Mac Seller/Servicer**") dated \_\_\_\_\_, 2018 (the "**Freddie Mac Commitment**"), whereby Freddie Mac has committed, subject to the satisfaction of the Conditions to Conversion set forth in the Construction Phase Financing Agreement on or before the Forward Commitment Maturity Date, to facilitate the financing of the Project in the Permanent Phase by purchasing the Funding Loan from the Freddie Mac Seller/Servicer following the Conversion Date.

**WHEREAS**, if the Conditions to Conversion are satisfied on or before the Forward Commitment Maturity Date as provided for in the Freddie Mac Commitment and the Construction Phase Financing Agreement, the Project Loan will convert from the Construction Phase to the Permanent Phase on the Conversion Date and, on such Conversion Date, the Initial Funding Lender shall deliver, and the Freddie Mac Seller/Servicer shall purchase, the Funding Loan, as evidenced by the Governmental Note. If the Conditions to Conversion are not satisfied on or before the Forward Commitment Maturity Date, the Project Loan will not convert from the Construction Phase to the Permanent Phase, and neither the Freddie Mac Seller/Servicer nor Freddie Mac will have any obligation with respect to the purchase of the Funding Loan and the Initial Funding Lender will remain the owner of the Funding Loan as the holder of the Governmental Note.

**WHEREAS**, as a Condition to Conversion, the Project Note and the Security Instrument are required to be amended and restated and the Borrower is required to enter into a Continuing Covenant Agreement with the Freddie Mac Seller/Servicer (the "**Freddie Mac Continuing Covenant Agreement**"), in each case pursuant to the forms attached to the Construction Phase Financing Agreement.

**Section 5.05 *Borrower to Maintain Its Existence; Certification of No Default.***

(a) The Borrower agrees to maintain its existence and maintain its current legal status with authority to own and operate the Project.

(b) In addition to performing all other similar requirements under the Financing Documents to which the Borrower is a party, the Borrower shall, within 30 days after the end of each calendar year, render to the best of its knowledge, to the Fiscal Agent a certificate executed by an Authorized Officer of the Borrower to the effect that the Borrower is not, as of the date of such certificate, in default of any of its covenants, agreements, representations or warranties under any of the Financing Documents to which the Borrower is a party and that, to the best of the Borrower's knowledge, after reasonable investigation, there has occurred no default or Event of Default (as such terms are defined in each respective Financing Document) under any of the Financing Documents.

**Section 5.06 *Borrower to Remain Qualified in State and Appoint Agent.*** The Borrower will remain duly qualified to transact business in the State and will maintain an agent in the State on whom service of process may be made in connection with any actions against the Borrower.

**Section 5.07 *Sale or Other Transfer of Project.*** The Borrower may convey and transfer the Project only upon strict compliance with the provisions of the Financing Documents, and upon receipt of the prior written consent of the Governmental Lender and the Funding Lender Representative (to the extent such consent is required by the Financing Documents).

**Section 5.08 *Right to Perform Borrower's Obligations.*** In the event the Borrower fails to perform any of its obligations under this Project Loan Agreement, the Governmental Lender, the Fiscal Agent, the Servicer and/or the Funding Lender Representative, after giving requisite notice, if any, and subject to Section 5.05 of the Funding Loan Agreement, may, but shall be under no obligation to, perform such obligation and pay all costs related thereto, and all such costs so advanced shall become an additional obligation of the Borrower hereunder, payable on demand and if not paid on demand with interest thereon at the default rate of interest payable under the Project Loan Documents from the date such costs were first paid by the Governmental Lender, the Fiscal Agent, the Servicer and/or the Funding Lender Representative, as applicable.

**Section 5.09 *Notice of Certain Events.*** The Borrower shall promptly advise the Governmental Lender, the Fiscal Agent, the Funding Lender Representative and the Servicer in writing of the occurrence of any Event of Default hereunder or any event which, with the passage of time or service of notice or both, would constitute an Event of Default, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

**Section 5.10 *Survival of Covenants.*** The provisions of Sections 2.05, 4.02, 4.03, 6.01 and 7.04 hereof shall survive the expiration or earlier termination of this Project Loan Agreement and, with regard to the Fiscal Agent, the resignation or removal of the Fiscal Agent.

**Section 5.11 *Access to Project; Records.*** Subject to reasonable notice and the rights of tenants at the Project, the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, and the respective duly authorized agents of each, shall have the right (but not any duty or obligation) at all reasonable times and during normal business hours: (a) to enter the Project and any other location containing the records relating to the Borrower, the Project, the Loans and the Borrower's compliance with the terms and conditions of the Financing Documents; (b) to inspect and audit any and all of the Borrower's records or accounts pertaining to the Borrower, the Project, the Loans and the Borrower's compliance with the terms and conditions of the Financing Documents; and (c) to require the Borrower, at the Borrower's sole expense, (i) to furnish such documents to the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, as the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative, as the case may be, from time to time, deems reasonably necessary in order to determine that the provisions of the Financing Documents have been complied with and (ii) to make copies of any records that the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative or the respective duly authorized agents of each, may reasonably require. The Borrower shall make available to the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, such information concerning the

Project, the Security Instrument and the Financing Documents as any of them may reasonably request.

**Section 5.12 *Tax Regulatory Agreement.*** The covenants of the Borrower in the Tax Regulatory Agreement shall be deemed to constitute covenants of the Borrower running with the land and an equitable servitude for the benefit of the Governmental Lender and the Funding Lender and shall be binding upon any owners of the Project until such time as such restrictions expire as provided in the Tax Regulatory Agreement. The Borrower covenants to file of record the Tax Regulatory Agreement and such other documents, and to take such other steps as are necessary in order to assure that the restrictions contained in the Tax Regulatory Agreement will, subject to the terms of the Tax Regulatory Agreement, be binding upon all owners of the Project. The Borrower covenants to include such restrictions or a reference to such restrictions in any documents transferring any interest in the Project to another to the end that such transferee has notice of, and is bound by, the Tax Regulatory Agreement. Subject to the provisions of Section 7.06 of this Project Loan Agreement, the Governmental Lender and the Fiscal Agent shall have the right to seek specific performance of or injunctive relief to enforce the requirements of any covenants of the Borrower contained in the Tax Regulatory Agreement.

**Section 5.13 *Damage, Destruction and Condemnation.*** If prior to full payment of the Funding Loan (or provision for payment of the Funding Loan in accordance with the provisions of the Funding Loan Agreement), without limiting the terms and requirements of the Project Loan Documents, the Project or any portion of it is destroyed (in whole or in part) or is damaged by fire or other casualty, or title to, or the temporary use of, the Project or any portion of it shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, or shall be transferred pursuant to an agreement or settlement in lieu of eminent domain proceedings, the Borrower shall nevertheless be obligated to continue to pay the amounts specified in this Project Loan Agreement and in the Project Note to the extent the Project Loan is not prepaid in full in accordance with the terms of the Project Loan Documents.

**Section 5.14 *Obligation of the Borrower To Construct the Project.*** Subject to and in accordance with the terms and provisions of the Project Loan Documents, the Borrower shall proceed with reasonable dispatch (and in no event later than required under the Financing Documents) to complete the construction, development and equipping of the Project as required by the Financing Documents. If amounts on deposit in the Project Loan Fund designated for the Project and available to be disbursed to the Borrower are not sufficient to pay the costs of such acquisition, construction, development and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Fiscal Agent, the Servicer, the Funding Lender Representative or the Funding Lender in respect of any such additional costs or to any diminution or abatement in the repayment of the Project Loan. None of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Servicer makes any representation or warranty, either express or implied, that money, if any, which will be paid into the Project Loan Fund or otherwise made available to the Borrower will be sufficient to complete the Project, and none of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Servicer shall be liable to the Borrower or any other person if for any reason the Project is not completed.

**Section 5.15 *Filing of Financing Statements.*** The Borrower shall file or record or cause to be filed or recorded on or prior to the Delivery Date and provide copies of all such filings to the Fiscal Agent, all Uniform Commercial Code financing statements which are required to be filed or recorded in order fully to protect and preserve the security interests relating to the priority of the Project Loan, the Funding Loan, the Pledged Security and the Security Instrument, and the rights and powers of the Governmental Lender, the Fiscal Agent and the Funding Lender in connection with such security interests. The Borrower shall cooperate with the Fiscal Agent in connection with the filing of any continuation statements for the purpose of continuing without lapse the effectiveness of such financing statements.

## ARTICLE VII

### EVENTS OF DEFAULT AND REMEDIES

**Section 7.01 *Events of Default.*** The following shall be “**Events of Default**” under this Project Loan Agreement, and the term “Event of Default” shall mean, whenever it is used in this Project Loan Agreement, one or all of the following events:

(a) Any representation or warranty made by the Borrower in the Financing Documents or any certificate, statement, data or information furnished by the Borrower in connection therewith or included by the Borrower in its application to the Governmental Lender for assistance proves at any time to have been incorrect when made in any material respect;

(b) Failure by the Borrower to pay any amounts due under this Project Loan Agreement, the Project Note or the Security Instrument at the times and in the amounts required by this Project Loan Agreement, the Project Note and the Security Instrument, as applicable;

(c) The Borrower shall fail to observe or perform any other term, covenant, condition or agreement (after taking into account any applicable cure period) set forth in this Project Loan Agreement, which failure continues for a period of 30 days after notice of such failure by the Governmental Lender, the Fiscal Agent or the Funding Lender Representative to the Borrower and Equity Investor (unless such default cannot with due diligence be cured within 30 days but can be cured within a reasonable period and will not, in the Funding Lender Representative’s sole discretion, adversely affect the Funding Lender or result in impairment of this Project Loan Agreement or any other Financing Document, in which case no Event of Default shall be deemed to exist so long as Borrower or the Equity Investor shall have commenced to cure the default or Event of Default within 30 days after receipt of notice, and thereafter diligently and continuously prosecutes such cure to completion); provided, however, no such notice or grace periods shall apply in the case of any such failure which could, in the Funding Lender Representative’s judgment, absent immediate exercise by the Funding Lender Representative of a right or remedy under this Agreement, result in harm to the Funding Lender, impairment of this Project Loan Agreement or any other Financing Document (any cure offered by the Equity Investor shall be accepted or rejected as if tendered by the Borrower);

(d) The occurrence of an event of default under the Continuing Covenant Agreement or the Security Instrument (after taking into account any applicable cure period thereunder) shall at the discretion of the Funding Lender Representative constitute an Event of Default under this Project Loan Agreement but only if the Fiscal Agent is provided written notice by the Funding Lender Representative that an Event of Default has occurred under such Financing Document and the Fiscal Agent is instructed by the Funding Lender Representative that such default constitutes an Event of Default hereunder; and

(e) The occurrence of an Event of Default hereunder shall in the discretion of the Funding Lender Representative constitute a default under the other Financing Documents.

Nothing contained in this Section 7.01 is intended to amend or modify any of the provisions of the Financing Documents or to bind the Governmental Lender, the Fiscal Agent, the Servicer

or the Funding Lender Representative to any notice and cure periods other than as expressly set forth in the Financing Documents.

**Section 7.02 Remedies on Default.** Subject to Section 7.06 hereof, whenever any Event of Default hereunder shall have occurred and be continuing, the Funding Lender (or the Fiscal Agent at the direction of the Funding Lender), may take any one or more of the following remedial steps:

(a) The Funding Lender (or the Fiscal Agent at the direction of the Funding Lender) may take such action, without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Project Loan to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Project Note to be immediately due and payable).

(b) The Funding Lender (or the Fiscal Agent at the direction of the Funding Lender) may, without being required to give any notice (other than to the Governmental Lender or the Fiscal Agent, as applicable), except as provided herein, pursue all remedies of a creditor under the laws of the State, as supplemented and amended, or any other applicable laws.

(c) The Funding Lender (or the Fiscal Agent at the direction of the Funding Lender) may take whatever action at law or in equity may appear necessary or desirable to collect the payments under this Project Loan Agreement then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Project Loan Agreement.

In addition, subject to Section 7.06 hereof, the Governmental Lender and the Fiscal Agent may pursue remedies with respect to the Unassigned Rights.

Any amounts collected pursuant to Article IV hereof and any other amounts which would be applicable to payment of principal of and interest and any premium on the Funding Loan collected pursuant to action taken under this Section 7.02 shall be applied in accordance with the provisions of the Funding Loan Agreement.

**Section 7.03 No Remedy Exclusive.** Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available against the Borrower hereunder or under the Financing Documents or otherwise at law or in equity may be exercised by the Funding Lender (or the Fiscal Agent at the direction of the Funding Lender), at any time and from time to time, whether or not the Funding Lender has accelerated the Project Loan, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Financing Documents. No remedy conferred upon or reserved to the Funding Lender or the Fiscal Agent by this Project Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Project Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power

may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Funding Lender (or the Fiscal Agent at the direction of the Funding Lender) to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be expressly required by this Project Loan Agreement.

**Section 7.04 *Agreement to Pay Attorneys' Fees and Expenses.*** In the event the Borrower shall default under any of the provisions of this Project Loan Agreement or any other Project Loan Documents and the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative shall employ attorneys or incur other expenses for the collection of loan payments or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained in this Project Loan Agreement or in the Project Note or any other Project Loan Documents, the Borrower shall on demand therefor reimburse the reasonable fees of such attorneys and such other expenses so incurred.

**Section 7.05 *No Additional Waiver Implied by One Waiver.*** In the event any agreement contained in this Project Loan Agreement shall be breached by any party and thereafter waived by the other parties, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

**Section 7.06 *Control of Proceedings.***

(a) If an Event of Default has occurred and is continuing, notwithstanding anything to the contrary herein, the Funding Lender Representative shall have the sole and exclusive right at any time to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Project Loan Agreement, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Project Loan Agreement. In addition, the Funding Lender Representative shall have the sole and exclusive right at any time to directly enforce all rights and remedies hereunder and under the other Financing Documents with or without the involvement of the Fiscal Agent or the Governmental Lender. In no event shall the exercise of any of the foregoing rights result in an acceleration of the Project Loan without the express direction of the Funding Lender Representative.

(b) The Governmental Lender and the Fiscal Agent covenant that they will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

- (i) prosecute any action with respect to a lien on the Project; or
- (ii) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due under, the Project Loan; or
- (iii) interfere with or attempt to influence the exercise by the Funding Lender Representative of any of its rights under the Financing Documents upon the occurrence of any event of default by the Borrower under the Financing Documents; or

(iv) take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Project Loan or the Funding Loan.

(c) Notwithstanding Sections 7.06(a) and 7.06(b) hereof, the Governmental Lender or the Fiscal Agent may:

(i) specifically enforce the tax covenants of the Borrower specified in Sections 2.04 and 2.05 hereof or seek injunctive relief against acts which may be in violation thereof;

(ii) specifically enforce the Tax Regulatory Agreement or seek injunctive relief against acts which may be in violation of the Tax Regulatory Agreement or are otherwise inconsistent with the operation of the Project in accordance with applicable requirements of the Code and State law (but in neither the case of subsection (c)(i) above or this subsection (c)(ii) may the Governmental Lender or the Fiscal Agent seek any form of monetary damages from the Borrower in connection with such enforcement).

In addition, notwithstanding Section 7.06(a) and 7.06(b) hereof, the Governmental Lender and the Fiscal Agent may seek specific performance of the other Unassigned Rights (provided no monetary damages are sought), and nothing herein shall be construed to limit the rights of the Governmental Lender, the Fiscal Agent or any Indemnified Party related to the Governmental Lender or the Fiscal Agent under Section 6.01 (each a “**Related Indemnified Party**”) to enforce their respective rights against the Borrower under Sections 4.02, 4.03, 6.01 and 7.04 hereof, provided that no obligation of the Borrower to the Governmental Lender, the Fiscal Agent or any Related Indemnified Party under such sections shall be secured by or in any manner constitute a lien on, or security interest in, the Project, whether in favor of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party, and all such obligations are and shall be subordinate in priority, in right to payment and in all other respects to all other obligations, liens, rights (including without limitation the right to payment) and interests arising or created under the Financing Documents (except for the Fiscal Agent’s right to receive payment of reasonable fees and expenses pursuant to Section 6.05(a) of the Funding Loan Agreement after an event of default with respect to the Funding Loan, which reasonable fees and expenses of the Fiscal Agent shall be payable as provided thereunder). Accordingly, none of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party shall have the right to enforce any monetary obligation arising under such sections other than directly against the Borrower, without recourse to the Project. In addition, any such enforcement must not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, construction, composition, reorganization, conservation or other similar law in effect now or in the future.

**Section 7.07 Assumption of Obligations.** In the event that the Fiscal Agent or the Funding Lender or their respective assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Project Loan Agreement, the Project Note, the Tax Regulatory Agreement, and any other Financing Documents to which the Borrower is a party or with respect to which it is a third-party beneficiary. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

(End of Article VII)

**MISCELLANEOUS**

(a) Whenever in this Project Loan Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Whenever in this Project Loan Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower which are contained in this Project Loan Agreement shall bind its successors and assigns and inure to the

No notice to or demand on the Borrower in any case shall entitle it to any other or further notice or demand in the same circumstances.

**Section 8.05 *Further Assurances and Corrective Instruments.*** The Governmental Lender, the Fiscal Agent and the Borrower agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required (including such supplements or further instruments requested by the Funding Lender Representative) for correcting any inadequate or incorrect description of the performance of this Project Loan Agreement.

**Section 8.08 *Counterparts.*** This Project Loan Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

**Section 8.09 *Amounts Remaining in Loan Payment Fund or Other Funds.*** It is agreed by the parties hereto that any amounts remaining in the Loan Payment Fund or other funds and accounts established under the Funding Loan Agreement upon expiration or sooner termination of the term hereof (and the repayment in full of the Project Loan and all other amounts owing under the Project Loan Documents), shall be paid in accordance with the Funding Loan Agreement.

**Section 8.10 *Effective Date and Term.*** This Project Loan Agreement shall become effective upon its execution and delivery by the parties hereto, shall be effective and remain in full force from the date hereof, and, subject to the provisions hereof, shall expire on such date as the Funding Loan Agreement shall terminate.

Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Governmental Lender or any member is pledged to the payment of the principal (or prepayment premium) or interest on the Funding Loan. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Project Loan Agreement, the Funding Loan or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Project Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender's sole source of money to repay the Funding Loan will be provided by the Revenues, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or prepayment premium) and interest on the Funding Loan as the same shall become due (whether by maturity, prepayment, acceleration or otherwise), then upon notice from Servicer (or the Fiscal Agent if the Fiscal Agent is then collecting payments from the Borrower), the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or prepayment premium) or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender or any such third party, as the case may be, therefor.

**Section 8.15 *No Liability of Officers.*** No recourse under or upon any obligation, covenant, or agreement or in the Governmental Note, or under any judgment obtained against the Governmental Lender, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any incorporator, member, director, commissioner, employee, agent or officer, as such, past, present, or future, of the Governmental Lender, either directly or through the Governmental Lender, or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may be due and unpaid by the Governmental Lender upon the Funding Loan. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such

incorporator, member, director, commissioner, employee, agent or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may remain due and unpaid upon the Funding Loan, is hereby expressly waived and released as a condition of and consideration for the execution of this Project Loan Agreement and the issuance of the Governmental Note.

**Section 8.16 *Capacity of the Fiscal Agent.*** The Fiscal Agent is entering into this Project Loan Agreement solely in its capacity as Fiscal Agent and shall be entitled to the rights, protections, limitations from liability and immunities afforded it as Fiscal Agent under the Funding Loan Agreement. The Fiscal Agent shall be responsible only for the duties of the Fiscal Agent expressly set forth herein and in the Funding Loan Agreement.

**Section 8.17 *Reliance.*** The representations, covenants, agreements and warranties set forth in this Project Loan Agreement may be relied upon by the Governmental Lender, the Fiscal Agent, Bond Counsel, the Servicer, the Funding Lender and the Funding Lender Representative. In performing their duties and obligations under this Project Loan Agreement and under the Funding Loan Agreement, the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Borrower, upon certificates of tenants believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Borrower pertaining to occupancy of the Project. In addition, the Governmental Lender and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender or the Fiscal Agent under this Project Loan Agreement and under the Funding Loan Agreement in good faith and in conformity with the opinion of such counsel. It is expressly understood and agreed by the parties to this Project Loan Agreement (other than the Governmental Lender) that:

(a) the Governmental Lender may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Governmental Lender by the Fiscal Agent, the Funding Lender or the Borrower as to the existence of a fact or state of affairs required under this Project Loan Agreement to be noticed by the Governmental Lender;

(b) the Governmental Lender shall not be under any obligation to perform any record keeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent, the Funding Lender Representative, the Servicer or the Borrower, as applicable; and

(c) none of the provisions of this Project Loan Agreement shall require the Governmental Lender or the Fiscal Agent to expend or risk its own funds (apart from the proceeds of Funding Loan issued under the Funding Loan Agreement) or otherwise endure financial liability in the performance of any of its duties or in the exercise of any of its rights under this Project Loan Agreement, unless it shall first have been adequately indemnified to its satisfaction against the costs, expenses and liabilities which may be incurred by taking any such action.

(End of Article VIII)
