

HISTORIC LANDMARK COMMISSION
February 26, 2018
PERMITS IN NATIONAL REGISTER HISTORIC DISTRICTS
NRD-2017-0087
1410 W. 9TH STREET
WEST LINE HISTORIC DISTRICT

PROPOSAL

Demolish a ca. 1910 house.

ARCHITECTURE

One-and-a-half story, rectangular-plan, front-gabled frame house with a partial-width front-gabled independent porch on plain, square wood posts; single and paired 1:1 fenestration; entry door has sidelights; hipped-roof addition to the east (right) of the main block of the house.

RESEARCH

The house was built around 1910. The first occupant was Howard Stoune, an insurance agent, who lived here until around 1917. The house was then owned and occupied by Francis C. and Allye B. Becker, until Allye Becker's death in 1978. Francis C. Becker was from Taylor, Texas. He worked at a variety of jobs, including as a deputy collector for the Internal Revenue Service, before becoming the auditor, and later assistant manager of the Driskill Hotel.

STAFF COMMENTS

The house is contributing to the West Line Historic District.

STAFF RECOMMENDATION

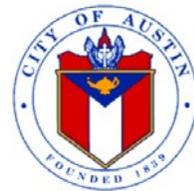

Encourage rehabilitation and adaptive re-use, as the house appears to be structurally sound and retains a high degree of integrity, and is contributing to the historic district, so demolition may be delayed pursuant to Code. If the Commission votes to release the permit, then staff recommends relocation over demolition, and completion of a City of Austin Documentation Package, consisting of photographs of all elevations, a dimensioned sketch plan, and a narrative history, for archiving at the Austin History Center, and the Commission's review of the plans for new construction on the site.
