

E-mail from the applicant for the demolition of 4605 Leslie Avenue, received Friday, February 23, 2018 at 2:55 p.m.:

Hi Steve,

I wanted to formally request to cancel my demolition permit for **4605 Leslie Avenue, 78721**.

After we spoke on Wednesday, I went back with my architect and engineer and we will remodel the home and add on to it as well. This will work for us.

I believe this serves as a win for all parties concerned and involved.

Best,  
Tom
