DATE: 3/19/2018

HISTORIC PROPERTY AND ADDRESS: Paramount Theatre – 713 Congress Ave., Austin, TX

APPLICANT'S NAME: Austin Theatre Alliance

APPLICANT'S ADDRESS: P.O. Box 1566, Austin, TX 78767

NAME AND ADDRESS OF OWNER, IF DIFFERENT FROM APPLICANT: N/A

TAX I.D. NUMBER/TAX STATUS: 74-2975922

PERSON PRESENTING REQUEST/CONTACT PERSON: David McMichael

ADDRESS: P.O. Box 1566, Austin, TX 78767 TELEPHONE NO. 512-692-0520

E-MAIL: dmcmichael@austintheatre.org FAX NUMBER: 512-472-5824

PROJECT NAME: Paramount Exterior South Wall Rehabilitation and Tuckpoint

DESCRIPTION OF PROJECT – PLEASE SUMMARIZE THE PROPOSED PROJECT. (IF DESIRED, APPLICANT MAY ALSO ATTACH AN ADDITIONAL SHEET MORE FULLY EXPLAINING THE PROJECT AND THE REASON FOR THE GRANT REQUEST.)

Constructed in 1915, the Paramount Theatre (originally the Majestic) has stood on Congress Avenue in the heart of downtown Austin for more than 100 years. As Austin's oldest surviving theatre, it has a long history of entertaining and inspiring Central Texas audiences. Performing artists such as Harry Houdini, Katharine Hepburn, Orson Welles, and Helen Hayes graced the theatre's stage in its early days. The Paramount is one of the few surviving examples of an early twentieth-century vaudeville theatre, and because we still use ropes and sandbags for the rigging system, it is also one of only a handful of hemp houses left in the United States. It thus has an importance that extends well beyond Central Texas.

With generous support from the Austin Convention & Visitors Bureau and other preservation partners, we have restored the theatre's beautiful stone and brick facade; reconstructed the Paramount's magnificent bulb-lit

blade; repaired the façade's three balconies overlooking Congress Avenue; and rehabilitated the Paramount's marquee and awning, an enormous undertaking which has tremendously increased energy efficiency, water resistance, and exterior appearance, among other things. Additionally, we have recently completed the work to secure a major gift acting as matching funds for the project supported by a 2017 grant award from Visit Austin. We are excited to soon begin work on that project – entry/exit doors replacement, box office millwork, key card system, mansard tile repair/seal, and parapet coping, flashing, and seal.

This year, we turn our attention to one of the final pieces in fully rehabilitating and securing the building's exterior: tuck-pointing and repair of the exterior south wall. The full scope of work follows.

Scope:

The selected contractor will deliver, install, supervise, and provide material and labor for the visible and confirmed damaged brick and mortar at the Paramount Theatre's south wall. All bricks and mortar are to be tuck-pointed and repaired across the entire upper portion of the parapet wall located at the fire alley. The wall portion west of the fire alley will be patched and repaired in all needed areas. All water table deterioration will be removed and rebuilt. Water tables will be planed and sloped to allow for proper water dispersion and will be sealed with Acrylink G.

Grout & Brick Restoration:

Brick and mortar replacements and repair will be matched to existing historic brick and mortar densities and color.

Debris Disposal:

There will be a daily cleanup of debris and a clean workspace will be maintained throughout the duration of the project. Contractor will dispose of all debris.

Access to Structure:

Access to the south wall will be scaffolded in the fire alley from surface grade to top of wall utilizing existing steel structure of mechanical platform in the eastern portion of the wall. The scaffolding will require intricate engineering around existing stairwells and mechanical platforms. A swing stage will be utilized in the westernmost portions of the south wall positioned west of the fire alley. Scaffolding will be protected with scrim in necessary areas.

Permits:

All permits and pedestrian protection & safety to be provided by selected contractor. All methods will be compliant with OSHA and City of Austin.

PLEASE LIST HISTORIC DESIGNATIONS OF THE PROPERTY, AND IF LOCATED WITHIN A NATIONAL REGISTER OR LOCAL HISTORIC DISTRICT (PLEASE SPECIFY WHICH DISTRICT), AND IF THE PROPERTY IS CONTRIBUTING:

The Paramount Theatre is a City of Austin and State Historic Landmark and has been listed on the National Register of Historic Places since 1976. It is also a contributing structure to the Congress Avenue National Historic District.

AMOUNT OF FUNDING REQUESTED: \$59,000

AMOUNT OF MATCH OR VALUE OF IN-KIND MATCH: \$227,000

DO LIENS EXIST AGAINST THE HISTORIC PROPERTY? () YES (x) NO

IF YES, DESCRIBE THE LIENS AND AMOUNTS: _____

(OWNER OR AUTHORIZED AGENT, AND TENANT IF APPLICABLE)

REQUIRED ATTACHMENTS:

- 1) TOURISM JUSTIFICATION: Include substantiation of contribution to the tourism industry in Austin (i.e., annual summary of out of town visitation, copies of promotional material, list of promotional activities, hours of operations, tours provided, etc.).
- 2) HISTORIC DOCUMENTATION: Historic photograph(s) or other documentation (especially those showing the elevation(s) of the historic property where restoration, alterations, changes, and/or improvements are planned).
- 3) CERTIFICATE OF APPROPRIATENESS FOR CITY DESIGNATED LANDMARKS AND LETTER OF APPROVAL FOR STATE DESIGNATED LANDMARKS: Proof of approval for historic property alterations, if required. *NOTE: If an approval is required, the Preservation Agreement with ACVB will not be executed until such documentation has been issued and provided to ACVB.*
- 4) PROJECT BUDGET: Applicant must include a budget, specifying the major components of the restoration/preservation project with associated costs. Also include evidence of other sources of funding, i.e. your own or others' match, and the corresponding work to be performed with these funds.
- 5) THREE COMPETITIVE BIDS for the proposed work (in excess of \$5,000) must accompany the application.
- 6) PROJECT SCHEDULE: Phasing schedule and amount of funding required for each phase, if applicable.
- 7) PROOF OF OWNERSHIP/LEASE/AUTHORIZATION: Copy of the Deed or Will (if applicant is the owner) or documentation showing authorization from owner and any existing lease between owner and applicant.
- 8) INSURANCE: Proof of casualty, fire and federal flood insurance, if applicable.
- 9) PLANS AND SPECIFICATIONS OF PROPOSED WORK.
- 10) INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED.

ATTACHMENTS – PARAMOUNT EXTERIOR SOUTH WALL REHABILITATION – BRICK AND MORTAR TUCK-POINT

1. TOURISM JUSTIFICATION

Each year, more than 200,000 people pass through the doors of the Paramount & Stateside Theatres to take in a live performing arts event or film. Approximately 20% of our patrons come from outside the City of Austin, including patrons of our own Moontower Comedy Festival, 30% of whom travel to Austin for the festival. The Paramount & Stateside Theatres are also principal venues for the SXSW Film Festival, which attracts visitors from every corner of the globe. The theatres are open to the public for approximately 300 events on more than 200 nights per year, making it easy for out-of-town visitors to plan a trip around taking in a show or film.

To promote our events, we market to broad constituencies through local, state, and national media outlets. Locally, we market shows in the Austin-American Statesman and the Austin Chronicle, on KUT & KUTX, and in local publications in Bastrop, Cedar Park, Lake Travis, Leander, Pflugerville, Round Rock, and West Texas. At the state and national level, press highlights for Moontower include The New York Times, USA Today, The Huffington Post, Esquire, Comedy Central, SiriusXM, The Houston Press, The Dallas Morning News, and more. For specific events, we outreach to the Latino-Hispanic, African American and to the LGBT communities via other media outlets. We maintain partnerships with downtown businesses and restaurants via our Paramount Club, providing marketing for our partners through special offers in conjunction with shows at the theatre.

The Moontower Comedy Festival embarks on its seventh year in April. Esquire Magazine states, “As the Art Form Surges, Moontower Could Become the Country’s Biggest Comedy Fest.” With national recognition of Moontower coming from print, electronic and digital media outlets, this event is increasingly attracting an audience from all over the nation. During the 2017 festival, we had attendees from 22+ states and several foreign countries including Canada, France, and the UK. We sold more tickets, used more hotel rooms, and had greater economic impact on Downtown Austin than ever before; we are on track to do the same next month with Moontower 2018.

As cornerstones in Austin’s arts community, we are economic drivers for the downtown area. In addition to ticket revenue, we estimate that our patrons (particularly those from outside of Austin) spend \$2 at other downtown establishments for every dollar they spend at our theatres. For Moontower Festival, 30% of attendees are from out of Austin, and our annual Austin Marathon 5k and film festivals also bring in attendees from around the region, state and world.

We are able to make arrangements for tours of the Paramount & Stateside Theatres, where guests and donors have the opportunity to hear about the role these two Austin landmarks have played in the history of our great city. The theatres are located in the Congress Avenue National Register District, with the Paramount in particular listed on the National Register of Historic Places. Our tours of the Paramount capture more than 100 years of history for visitors. Guests learn that the Paramount is one of the few surviving examples of an early twentieth-century vaudeville theatre; that it is one of the only theatres in the nation that still uses ropes and sandbags for its rigging system; and that performers such as Harry Houdini, Katharine Hepburn, Orson Welles, and Helen Hayes have all graced the Paramount stage. Tour guests might even hear a few ghost stories along the way!

2. HISTORIC DOCUMENTATION

The Grande Dame of Congress Avenue – The Paramount Theatre.

The Paramount in a transitional phase

The exterior south wall to be rehabilitated

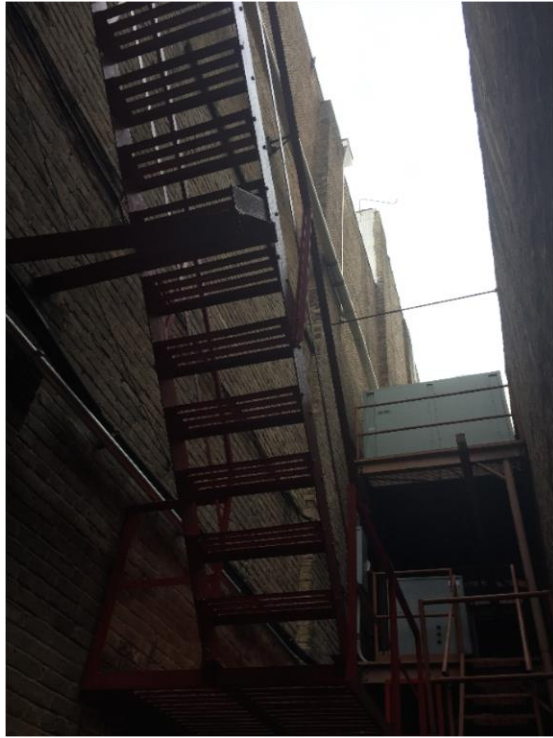

Visible wear and damage to the wall

Visible wear and damage to the wall

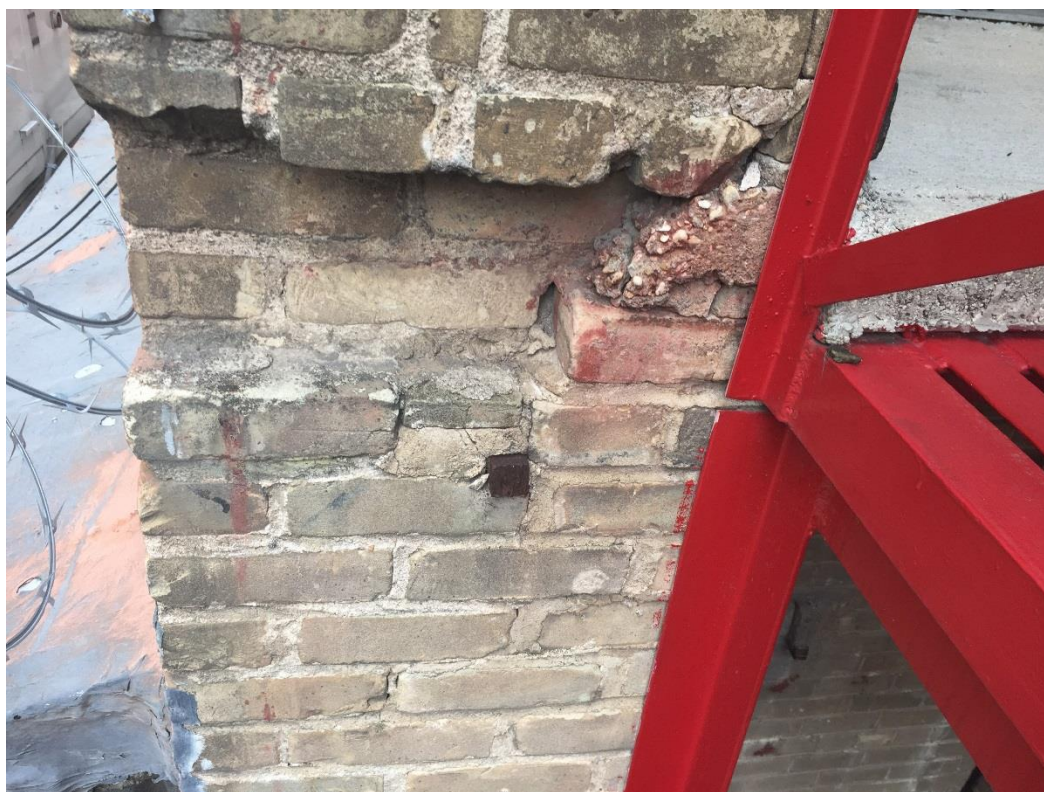

These fire escapes increase the cost and expertise necessary to construct scaffolding from the ground to the top of the building

Further deterioration to be repaired.

3. CERTIFICATE OF APPROPRIATENESS

As with previous Paramount projects, we will work closely with the Historic Landmark Commission to ensure that the current project meets all of their requirements for historical accuracy and the protection of the theatre.

4. PROJECT BUDGET

Paramount Rehabilitation Project - 2018

REVENUE

Visit Austin (Pending this request)	\$	59,000.00
Individual Donations	\$	100,000.00
Other Grants	\$	127,000.00
Total	\$	286,000.00

EXPENSES

Scope of work - all materials and labor
Grout and brick restoration
Debris disposal
Scaffolding
Permits

Turnkey Price for Entire Project **\$ 286,000.00**

5. THREE COMPETITIVE BIDS

We have attached two competitive bids obtained from contractors. The reason we have only solicited two instead of the usual three is that these are contractors with whom we have worked closely for a number of years and who have continually delivered excellent results on time and usually under projected cost. With the highly specialized, delicate work being performed on our historic building, we need to fully trust the contractors and subcontractors we employ.

6. PROJECT SCHEDULE

All elements of the project will take place beginning in June 2019 and will be completed in August 2019.

Payment schedule – to be determined with selected contractor prior to start of work under these guidelines:

Scheduled payments are due in full within ten (10) working days of the presentation of the draw requests. Payments made after the ten (10) working day period will be considered a late payment and will be assessed a six (6%) late fee. Any payments not made within thirty (30) days of their presentation will be assessed the ten (10%) late fee.

7. PROOF OF OWNERSHIP

Visit Austin has the deeds of ownership on file: the Harry Williams and Mary Margaret Albright deeds, both dated from 1977. If additional copies of digital files are needed, please inquire and we will send again.

8. PROOF OF INSURANCE

See the attached proof of insurance at the end of this application.

9. PLANS AND SPECIFICATIONS OF PROPOSED WORK

NA – Because the Paramount Exterior South Wall Rehabilitation and Tuckpoint is a repair job, it does not require formal architectural or engineering plans.

RADNEY FOSTER
SYCAMORE CREEK
ALBUM & BOOK RELEASE

THURSDAY, SEPTEMBER 28, 8:00PM

The position that Radney Foster enjoys in the country music landscape is remarkable. Mainstream country music and independent Americana tend to occupy separate orbits. Yet for 30 years Foster has thrived in both as a songwriter, recording artist, live performer and producer. His songs—solo, with Foster and Lloyd and recorded by other artists—have topped the country, Americana, and AAA charts alike. At the same time, he's earned the respect of his peers and a devoted audience as intent on listening as they are eager to dance. He premieres a new CD and book at this very special show.

AJ CROCE
JUST LIKE MEDICINE ALBUM RELEASE

SATURDAY, SEPTEMBER 30, 8:00PM

Get lost in the moment as some of the most talented actors from the stage, screen, and television bring short stories to life. This award-winning NPR series presents a compelling work of short fiction each week, recorded live at New York's Symphony Space (or in this case, at the Paramount Theatre). Classic authors and bold new writers are showcased equally, and fun is sure to be had!

LILA DOWNS

WEDNESDAY, OCTOBER 4, 8:00PM

One of the world's most singular voices, Lila Downs' poignant storytelling transcends all language barriers. Raised in Minnesota and Oaxaca, this global superstar's exquisite artistry bridges traditions from across the Americas, with influences ranging from the folk and ranchera music of Mexico and South America to North American folk, jazz, blues, and hip-hop. As a passionate human-rights activist, Lila's lyrics often highlight issues relating to social justice, sharing stories that too often go untold. Lila has graced the stages of many of the world's most prestigious venues including the Lincoln Center, Carnegie Hall, the Hollywood Bowl, and even the White House.

DEL MCCOURY BAND FRIDAY, OCTOBER 20, 8:00PM

For more than fifty years, Del McCoury's music has defined authenticity for hardcore bluegrass fans as well as a growing number of fans only vaguely familiar with the genre. McCoury is something special, a living link to the days when bluegrass was made only in hillbilly honky tonks, schoolhouse shows, and the Grand Ole Opry. He got his first taste of the limelight when he joined Bill Monroe's Blue Grass Boys in early 1963; the Father of Bluegrass moved McCoury from the banjo to guitar, made him his lead singer, and gave him a lifetime's worth of bluegrass tutelage direct from the source. Del might be 76, but he's singing better than ever and shows no signs of slowing down.

TERRI HENDRIX
50TH BIRTHDAY BASH
FRIDAY, FEBRUARY 16, 8:00PM

Trailblazing singer-songwriter Terri Hendrix is still going strong - and feeling more inspired than ever before. In early 2016, she released her 15th album, the emotionally fearless and disarmingly intimate Love You Strong. She's sold out the State Theatre the last couple years running, and is graduating to the Paramount for a very special celebration of her 50th birthday. Joined by her band (which includes Austin City Limits Hall of Fame guitarist/pedal steel player Lloyd Maines) and special guests, don't miss what is sure to be one of the Americana events of the spring in Austin.

DEATH OF A KING
THURSDAY, FEBRUARY 22, 8:00PM

You know the story you don't. Broadcaster and author Tavis Smiley presents a live multimedia stage presentation of his NY Times best-selling book, Death of a King: The Real Story of Dr. Martin Luther King Jr. 50th Anniversary of the death of the civil rights leader, sponsored by Walmart. Jazz pianist, Marcus Smiley, accompanies Smiley with a live original score to illustrate the story of Dr. King's final year and his enduring legacy as a voice for our nation.

VICTOR WOOTEN TRIO
FRIDAY, MARCH 23, 8:00PM

Five-time Grammy award-winning bass player Victor Wooten released his first album in five years, TRYPNOTYX, on September 8. In support of the album, he is hitting the road alongside legendary drummer Dennis Chambers (Bootsy Collins, Santana) and veteran saxophonist Bob Franceschini (Mike Stern, Paul Simon). "Bands are at their best when every instrument is different...Everyone takes turns talking. Everyone speaks their voice," Wooten says. "A lot of times musicians might ask, 'What would you like me to play?' I say, 'Listen to the music. The music will tell you exactly what it needs.'"

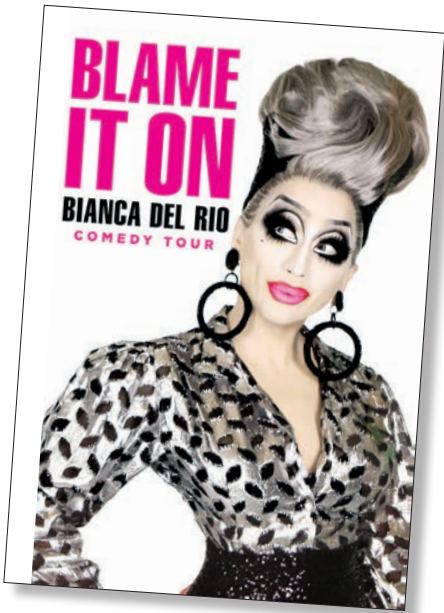

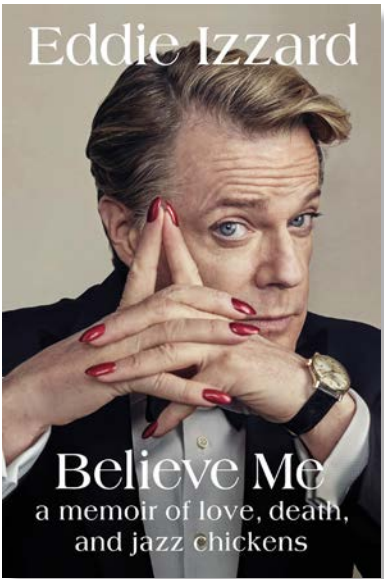

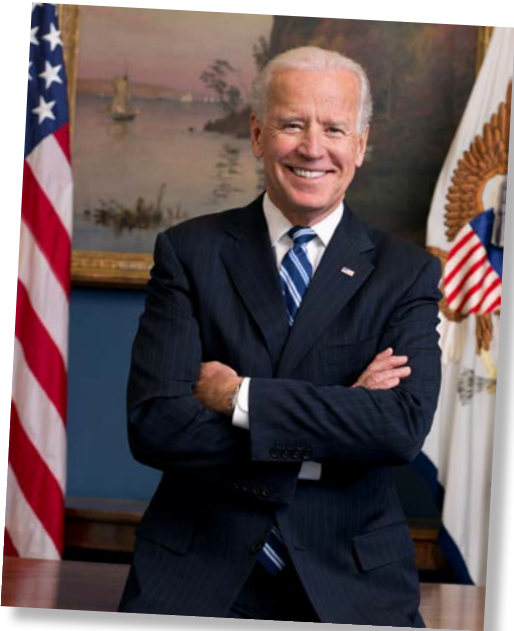

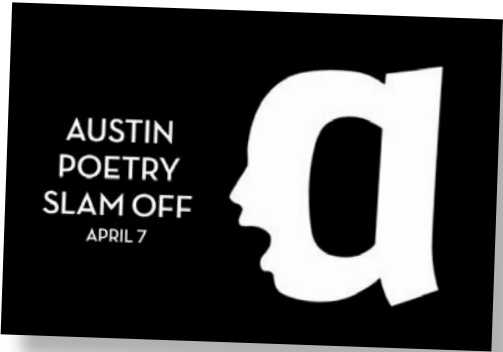

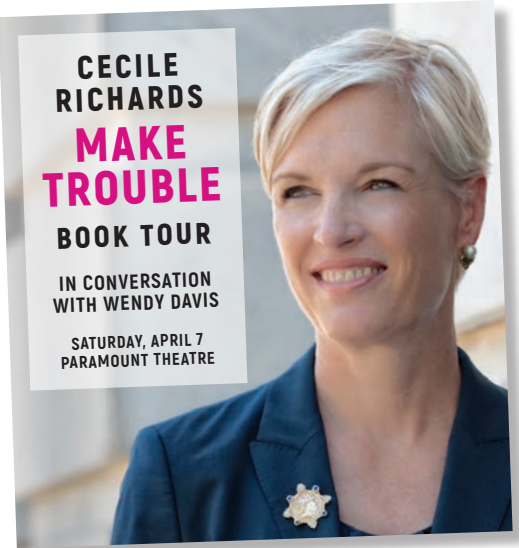

BRAD MEHLDAU TRIO THURSDAY, APRIL 12, 8:00PM

One of the most lyrical and intimate voices of contemporary jazz piano, Brad Mehldau has forged a unique path, which embodies the essence of jazz exploration, classical romanticism and pop allure. From critical acclaim as a bandleader to major international exposure in collaborations with Pat Metheny, Renee Fleming, and Joshua Redman, Mehldau continues to garner numerous awards and admiration from both jazz purists and music enthusiasts alike. With his self-proclaimed affection for popular music and classical training, "Mehldau is the most influential jazz pianist of the last 20 years" (The New York Times).

The Paramount Theatre and Preservation Austin present a screening of the award-winning documentary *Citizen Jane: Battle for the City* followed by a panel discussion featuring experts from the fields of historic preservation, and urban planning. Some say that Jane Jacobs, subject of the documentary, single-handedly saved the soul of New York City in the 1960s. Jane Jacobs' influential book *The Death and Life of Great American Cities* shook the foundation of 1950s and 60s modernist architecture and planning, and her activism in Greenwich Village, SoHo, and Little Italy protected some of New York City's most iconic neighborhoods from destruction. After the film, we'll discuss Austin's present-day growth and redevelopment within the context of Jacobs' work, as our community strives to reach a consensus over what the city should look like – and how it should function – going forward.

And after you see the film, join Preservation Austin and the Congress for the New Urbanism Central Texas Chapter for a special Congress Avenue Jane's Walk on Sunday January 28th! Led by CNU-CTX Board Member Greg Kiloh, Redevelopment Project Manager for the City of Austin, we'll explore the Main Street of Texas through the lens of the life and work of Jane Jacobs, icon to preservationists and urbanists alike. Space is limited. Learn more about the event and RSVP to Lindsey Derrington at programs@preservationaustin.org.

Tonight's Panel:

KIM MCKNIGHT
Kim McKnight is an Environmental Conservation Program Manager at the City of Austin Parks and Recreation Department. Her work includes Historic Preservation Planning and Cultural Resource Management. She is currently the PARD lead for the Seaholm Intake Building Redevelopment and the Mexican American Cultural Center Master Plan. Recent projects include the award-winning Historic Austin Cemeteries Master Plan, Mt. Bonnell Monument Restoration, and the Pease Park Master Plan. Ms. McKnight previously served as the executive director of the Texas Downtown Association and led the Texas Main Street Center of the Texas Historical Commission.

DR. ROBERT PATERSON
Professor Robert Paterson specializes in land use and environmental planning. He has completed over 60 projects over the past 26 years at UT-Austin and was a recipient of a Faculty Fellow in Social Science Research Applied to Hazards and Disasters award through the National Science Foundation. Recent and on-going research projects include grants and contracts with the Lincoln Institute for Land Policy and the US Department of Housing and Urban Development. Paterson has served on numerous state and regional planning advisory boards and task forces, the Texas APA Board as Awards Chair and Education Foundation member. He has been the recipient of the School of Architecture's Outstanding Lecturer and Community Service awards. Dr. Paterson's three most recent research projects are focused on better metrics for Scenario Planning for Sustainable Communities, Scenario Planning for Disaster Resilience, and Plan Implementation theory and practice.

CATHERINE SAK
Catherine Sak joined the Texas Downtown Association (TDA) as executive director in 2007. She received a bachelor's degree in Political Science from Emory University and a Masters in Urban and Regional Planning from the University of New Orleans. Prior to TDA she worked in the public, nonprofit, and private sectors. Over the past ten years she's visited over 130 Texas communities and is always up for a road trip to a new downtown.

In memoriam

DR. ROBERT F. YOUNG, 1959-2018

Dr. Robert F. Young worked as an Assistant Professor at the University of Texas at Austin in the fields of urban planning, sustainable economic development, and urban ecology. His research centered on the planning, governance, and financing of metropolitan green infrastructure and on economic development initiatives for sustainable cities and regions. Dr. Young co-founded the University of Oregon's Sustainable Cities Initiative and American Soil, Inc., and served as the Director of Planning of the Philadelphia's Recycling Office, Director of the New Jersey Commerce Department's Office of Sustainability, and as an advisor to Governors Ted Kulongoski and John Kitzhaber of Oregon on issues of sustainable economic development.

PROPOSAL

Submitted to:
**Austin Theatre Alliance
PO Box 1566
Austin, TX 78767**

Location:
**PARAMOUNT THEATRE
713 Congress Avenue
Austin, TX 78701**

Attention:
**Jonathan Humphrey
Facilities Director**

Project:
Exterior South Wall Tuckpointing

Date:
March 15, 2018

SCOPE

Scope:

Schaubhut Construction proposes to furnish the materials and perform the labor necessary for the tuckpointing of the Paramount Theatre's exterior south wall. The exterior south wall of the Paramount Theatre will be tuck-pointed and repaired across the entire upper portion of the parapet wall located at the fire alley. The wall portion west of the fire alley will be patched and repaired in all needed areas. All water table deterioration will be removed and rebuilt. Water tables will be planed and sloped to allow for proper water dispersion and will be sealed with Acrylink G.

Grout & Brick Restoration:

Brick and mortar replacements and repair will be matched to existing brick and mortar densities and color. Note: No metal flashings are included in this proposal. If it is determined that any metal flashings will be replaced, Schaubhut Construction will submit a proposal for the added work.

Debris Disposal:

There will be a daily cleanup of debris and a clean workspace will be maintained throughout the duration of the project. Contractor will dispose of all debris.

Access to Structure:

Access to the south wall will be scaffolded in the fire alley from surface grade to top of wall utilizing existing steel structure of mechanical platform in the eastern portion of the wall. The scaffolding will require intricate engineering around existing stairwells and mechanical platforms. A swing stage will be utilized in the westernmost portions of the south wall positioned west of the fire alley. Scaffolding will be protected with scrim in necessary areas.

Permits:

All permits and pedestrian protection & safety to be provided by Schaubhut Construction. All methods will be compliant with OSHA and City of Austin.

Upon written request by the Contractor at the time the Contractor represents that all work has been completed the Client's Representative will perform a walkthrough inspection of the work. Any deficiencies or corrections will be noted at this time by the Client's Representative and provided to the Contractor in writing. A second walk through inspection will be requested to inspect the corrections previously noted. The work of the agreement will be considered complete at the time the corrections of the initial walk through inspection are completed to the reasonable satisfaction of the Client's Representative.

Scheduled payments are due in full within ten (10) working days of the presentation of the draw requests.

Alterations or deviations from the above scope of work and specifications may be accomplished after execution of a Change Order addendum to the CONTRACT without invalidating the CONTRACT. Change Orders will be executed only upon a mutually agreed written signed agreement. Additional requirements, historical review and or approval processes will constitute a change to the Scope of The Work and would require a Change Order Agreement. Estimate Total is subject to change upon completion of scaffolding to allow access for review and analysis.

This proposal may be withdrawn by Schaubhut Construction if not accepted within thirty (30) days of the date of this proposal.

Proposal Estimate:

Three Hundred and One Thousand Dollars (\$301,000.00)

Project:

Exterior South Wall Tuck-pointing & Repair. Repair and restore areas to be identified and confirmed by ATA.

Location:

PARAMOUNT THEATRE
713 Congress Avenue
Austin, Texas 78701

Proposal Estimate:

SDC Project Management and Consulting LLC, will deliver and install, supervise, provide material and labor to the Paramount Theatre exterior masonry façade south wall in the amount of USD \$286,000.00

SDC Project Management & Consulting

Scope

Scope:

SDC Project Management and Consulting LLC, will deliver and install, supervise, provide material and labor for the visible and confirmed damaged brick and mortar at the Paramount Theatre's south wall that are to be tuck-pointed and repaired across the entire upper portion of the parapet wall located at the fire alley. The wall portion west of the fire alley will be patched and repaired in all needed areas. All water table deterioration will be removed and rebuilt. Water tables will be planed and sloped to allow for proper water dispersion and will be sealed with Acrylink G.

Grout & Brick Restoration:

Brick and mortar replacements and repair will be matched to existing brick and mortar densities and color. Note: No metal flashings are included in this proposal. If it is determined that any metal flashings will be replaced, SDC PM & Consulting will submit a proposal for the added work.

Debris Disposal:

There will be a daily cleanup of debris and a clean workspace will be maintained throughout the duration of the project. Contractor will dispose of all debris.

Access to Structure:

Access to the south wall will be scaffolded in the fire alley from surface grade to top of wall utilizing existing steel structure of mechanical platform in the eastern portion of the wall. The scaffolding will require intricate engineering around existing stairwells and mechanical platforms. A swing stage will be utilized in the westernmost portions of the south wall positioned west of the fire alley. Scaffolding will be protected with scrim in necessary areas.

Permits:

All permits and pedestrian protection & safety to be provided by SDC PM & Consulting. All methods will be compliant with OSHA and City of Austin.

SDC Project Management & Consulting

Upon written request by the Contractor at the time the contractor represents that all work has been completed the client will perform a walk through inspection of the work. Any deficiencies or corrections will be noted at this time by the client representative and provided to the contractor in writing. A second walk through inspection will be requested to inspect the corrections previously noted. The work of the agreement will be considered complete at the time the corrections of the initial walk through inspection are completed to the reasonable satisfaction of the client representative.

Scheduled payments are due in full within ten (10) working days of the presentation of the draw requests. Payments made after the ten (10) working day period will be considered a late payment and will be assessed a six (6%) late fee. Any payments not made within thirty (30) days of their presentation will be assessed the ten (10%) late fee. Alterations or deviations from the above scope of work and specifications may be accomplished after execution of a Change Order addendum to the CONTRACT without invalidating the CONTRACT. Change Orders will be executed only upon a mutually agreed written signed agreement. Additional requirements, historical review and or approval processes will constitute a change to the Scope of the Work and would require a Change Order Agreement. Estimate total is subject to change once scaffolding is erected and a full review and analysis has been made of current inaccessible areas. This proposal may be withdrawn by SDC-Project Management and Consulting LLC.

Total Bid: Two Hundred Eighty-six thousand dollars . (\$286,000.00)
