Section 1: Applicant Statement

Street Address: _____

Subdivision Legal Description:

Lot(s): _____ Block(s): _____

Outlot: _____ Division: _____

Zoning District: _____

I/We _____ on behalf of myself/ourselves as
authorized agent for _____ affirm that on
Month _____, Day _____, Year _____, hereby apply for a hearing before the
Board of Adjustment for consideration to (select appropriate option below):

Erect Attach Complete Remodel Maintain Other: _____

Type of Structure: _____

Portion of the City of Austin Land Development Code applicant is seeking a variance from:

Section 2: Variance Findings

The Board must determine the existence of, sufficiency of, and weight of evidence supporting the findings described below. Therefore, you must complete each of the applicable Findings Statements as part of your application. Failure to do so may result in your application being rejected as incomplete. Please attach any additional supporting documents.

NOTE: The Board cannot grant a variance that would provide the applicant with a special privilege not enjoyed by others similarly situated or potentially similarly situated.

I contend that my entitlement to the requested variance is based on the following findings:

Reasonable Use

The zoning regulations applicable to the property do not allow for a reasonable use because:

Hardship

a) The hardship for which the variance is requested is unique to the property in that:

b) The hardship is not general to the area in which the property is located because:

Area Character

The variance will not alter the character of the area adjacent to the property, will not impair the use of adjacent conforming property, and will not impair the purpose of the regulations of the zoning district in which the property is located because:

Parking (additional criteria for parking variances only)

Request for a parking variance requires the Board to make additional findings. The Board may grant a variance to a regulation prescribed in the City of Austin Land Development Code Chapter 25-6, Appendix A with respect to the number of off-street parking spaces or loading facilities required if it makes findings of fact that the following additional circumstances also apply:

1. Neither present nor anticipated future traffic volumes generated by the use of the site or the uses of sites in the vicinity reasonably require strict or literal interpretation and enforcement of the specific regulation because:

2. The granting of this variance will not result in the parking or loading of vehicles on public streets in such a manner as to interfere with the free flow of traffic of the streets because:

3. The granting of this variance will not create a safety hazard or any other condition inconsistent with the objectives of this Ordinance because:

4. The variance will run with the use or uses to which it pertains and shall not run with the site because:

Section 3: Applicant Certificate

I affirm that my statements contained in the complete application are true and correct to the best of my knowledge and belief.

Applicant Signature: [Signature] Date: 03/23/2018

Applicant Name (typed or printed): Lauren and Joe Cunningham

Applicant Mailing Address: 3205 Perry Lane

City: Austin State: Texas Zip: 78731

Phone (will be public information): 512 905 5182

Email (optional – will be public information): _____

**CITY OF AUSTIN BOARD OF ADJUSTMENTS
APPLICATION FOR PARKING VARIANCE
SUPPORTING EVIDENCE**

INTRODUCTION + CURRENT SITE CONDITION

Dear Board of Adjustments,

It is our understanding, from information given by the seller and the North Loop Neighborhood Association, that countless individuals and businesses have attempted to lease or purchase this building over the years, but none has been successful because:

- a) Current parking requirements make it very difficult to operate a business here
- b) The current state of the building requires too much effort and capital

Vacant and in disrepair for approximately 10 years, this building is an eyesore for the neighborhood and often houses homeless individuals. A broken down sedan has been parked on the property for months, and its owner sleeps in the vehicle at night.

We are determined to rehabilitate this property and turn it into something that will serve the community for years to come. As longtime members of the community ourselves, we seek to preserve the integrity of the neighborhood while greatly improving it.

Lauren Cunningham

Joe Cunningham

NEIGHBORHOOD ASSOCIATION LETTER OF ENDORSEMENT

Toti Larson
President, North Loop Neighborhood Association
Austin, TX, 78751.

April 20, 2018

Dear City of Austin Board of Adjustments,

I am writing letter on behalf of the North Loop Neighborhood Association in regards to the proposal by Lauren and Joe Cunningham (Folkmade LLC) to purchase a business property within the North Loop Neighborhood at 101 E North Loop Blvd.

Joe and Lauren described their concept to the neighborhood association board and their plan was met with overwhelming support. This type of small business that provides workspaces for a range of professionals is exactly what our neighborhood would like to see and the North Loop Neighborhood Association unanimously supports their proposal. Their concept to turn this long abandoned property into a creative co-working space will be an asset to our neighborhood and business district.

The North Loop Neighborhood Association gives our full endorsement to this project and we ask that you grant them the parking variance they have applied for.

Sincerely,

Toti Larson
President, North Loop Neighborhood Association
Northloopatx.president@gmail.com

A parking share agreement has been established with the business immediately next door, Phara's Mediterranean Cuisine, 111 E North Loop Blvd. Our businesses have non-conflicting business hours. The Commune's hours will be 8am - 5pm and Phara's is open 6pm - midnight and closed on Mondays.

The Commune has 5 parking spaces and Phara's has 8 for a total of **13 usable spaces during The Commune's business hours.**

PARKING SHARE AGREEMENT

As owners of the property at 101 E North Loop Boulevard, Austin, Texas 78751 (The Commune), we hereby agree to a mutual parking share agreement with the neighboring business at 111 E North Loop Boulevard, Austin, Texas 78751 (Phara's Mediterranean Cuisine).

This agreement will commence once ownership of 101 E North Loop Boulevard, Austin, Texas 78751 legally transfers to Joe and Lauren Cunningham (Folkmade LLC) on or around May 1, 2018.

The parties, with non-conflicting business hours, agree to share their parking spaces, as outlined below, for a total number of thirteen (13) spaces:

The Commune: Five (5) spaces

Phara's: Eight (8) spaces

Both parties agree to:

- Post no signage restricting parking by patrons, members or affiliates of the other party
- Tow no vehicles owned by patrons, members or affiliates of the other party unless left on property more than 48 hours
- Enter no additional parking share agreement which allows other parties to use their parking.

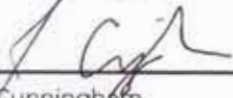

Enforcement of parking by patrons, members or affiliates of businesses outside of this agreement is the sole discretion of The Commune and Phara's.

Lauren Cunningham

BUS ROUTES

This address is served by the following routes:

MetroBus 1, 7, 10, 801
UT Shuttle 656

ALTERNATIVE TRANSPORTATION

We will be offering a 10% discount to anyone living within a 2 mile radius of our address in order to encourage the following transportation methods and reduce the number of cars being parked at our business:

- Walking
- Bicycles/Scooters
- Public Transportation
- Rideshares (Uber, etc.)

FULL MEMBERSHIP CAPACITY

AVERAGE EXPECTED OCCUPANCY*

= 21% OF MEMBERSHIP CAPACITY
+ FULL STUDIO CAPACITY
(1 person per 7 studios)

At full capacity we expect our membership (dedicated desk and basic memberships), including studios, to be around 34 people. However, we expect the number of people physically occupying the space at any given time to be a fraction of that number.

Many of our members will work in industries which require them to move around a lot, and therefore, very few will be at The Commune all day, and many won't be there daily. These are people who travel for work, do site visits, meet clients in their homes, etc. These members may include:

- Architects
- Interior Designers
- Photographers
- Artists
- Graphic Designers
- Bloggers/Social Media Influencers
- Entrepreneurs

Small business owners and freelancers without their own place of business are drawn to co-working spaces for their many professional perks and often keep a membership for these perks regardless of frequency of usage. The Commune's perks will include:

- Business mailing address
- Mail delivery
- Conference space for meetings
- Photo studio access
- Printer and scanner access

* COMPARABLE BUSINESS ANALYSIS

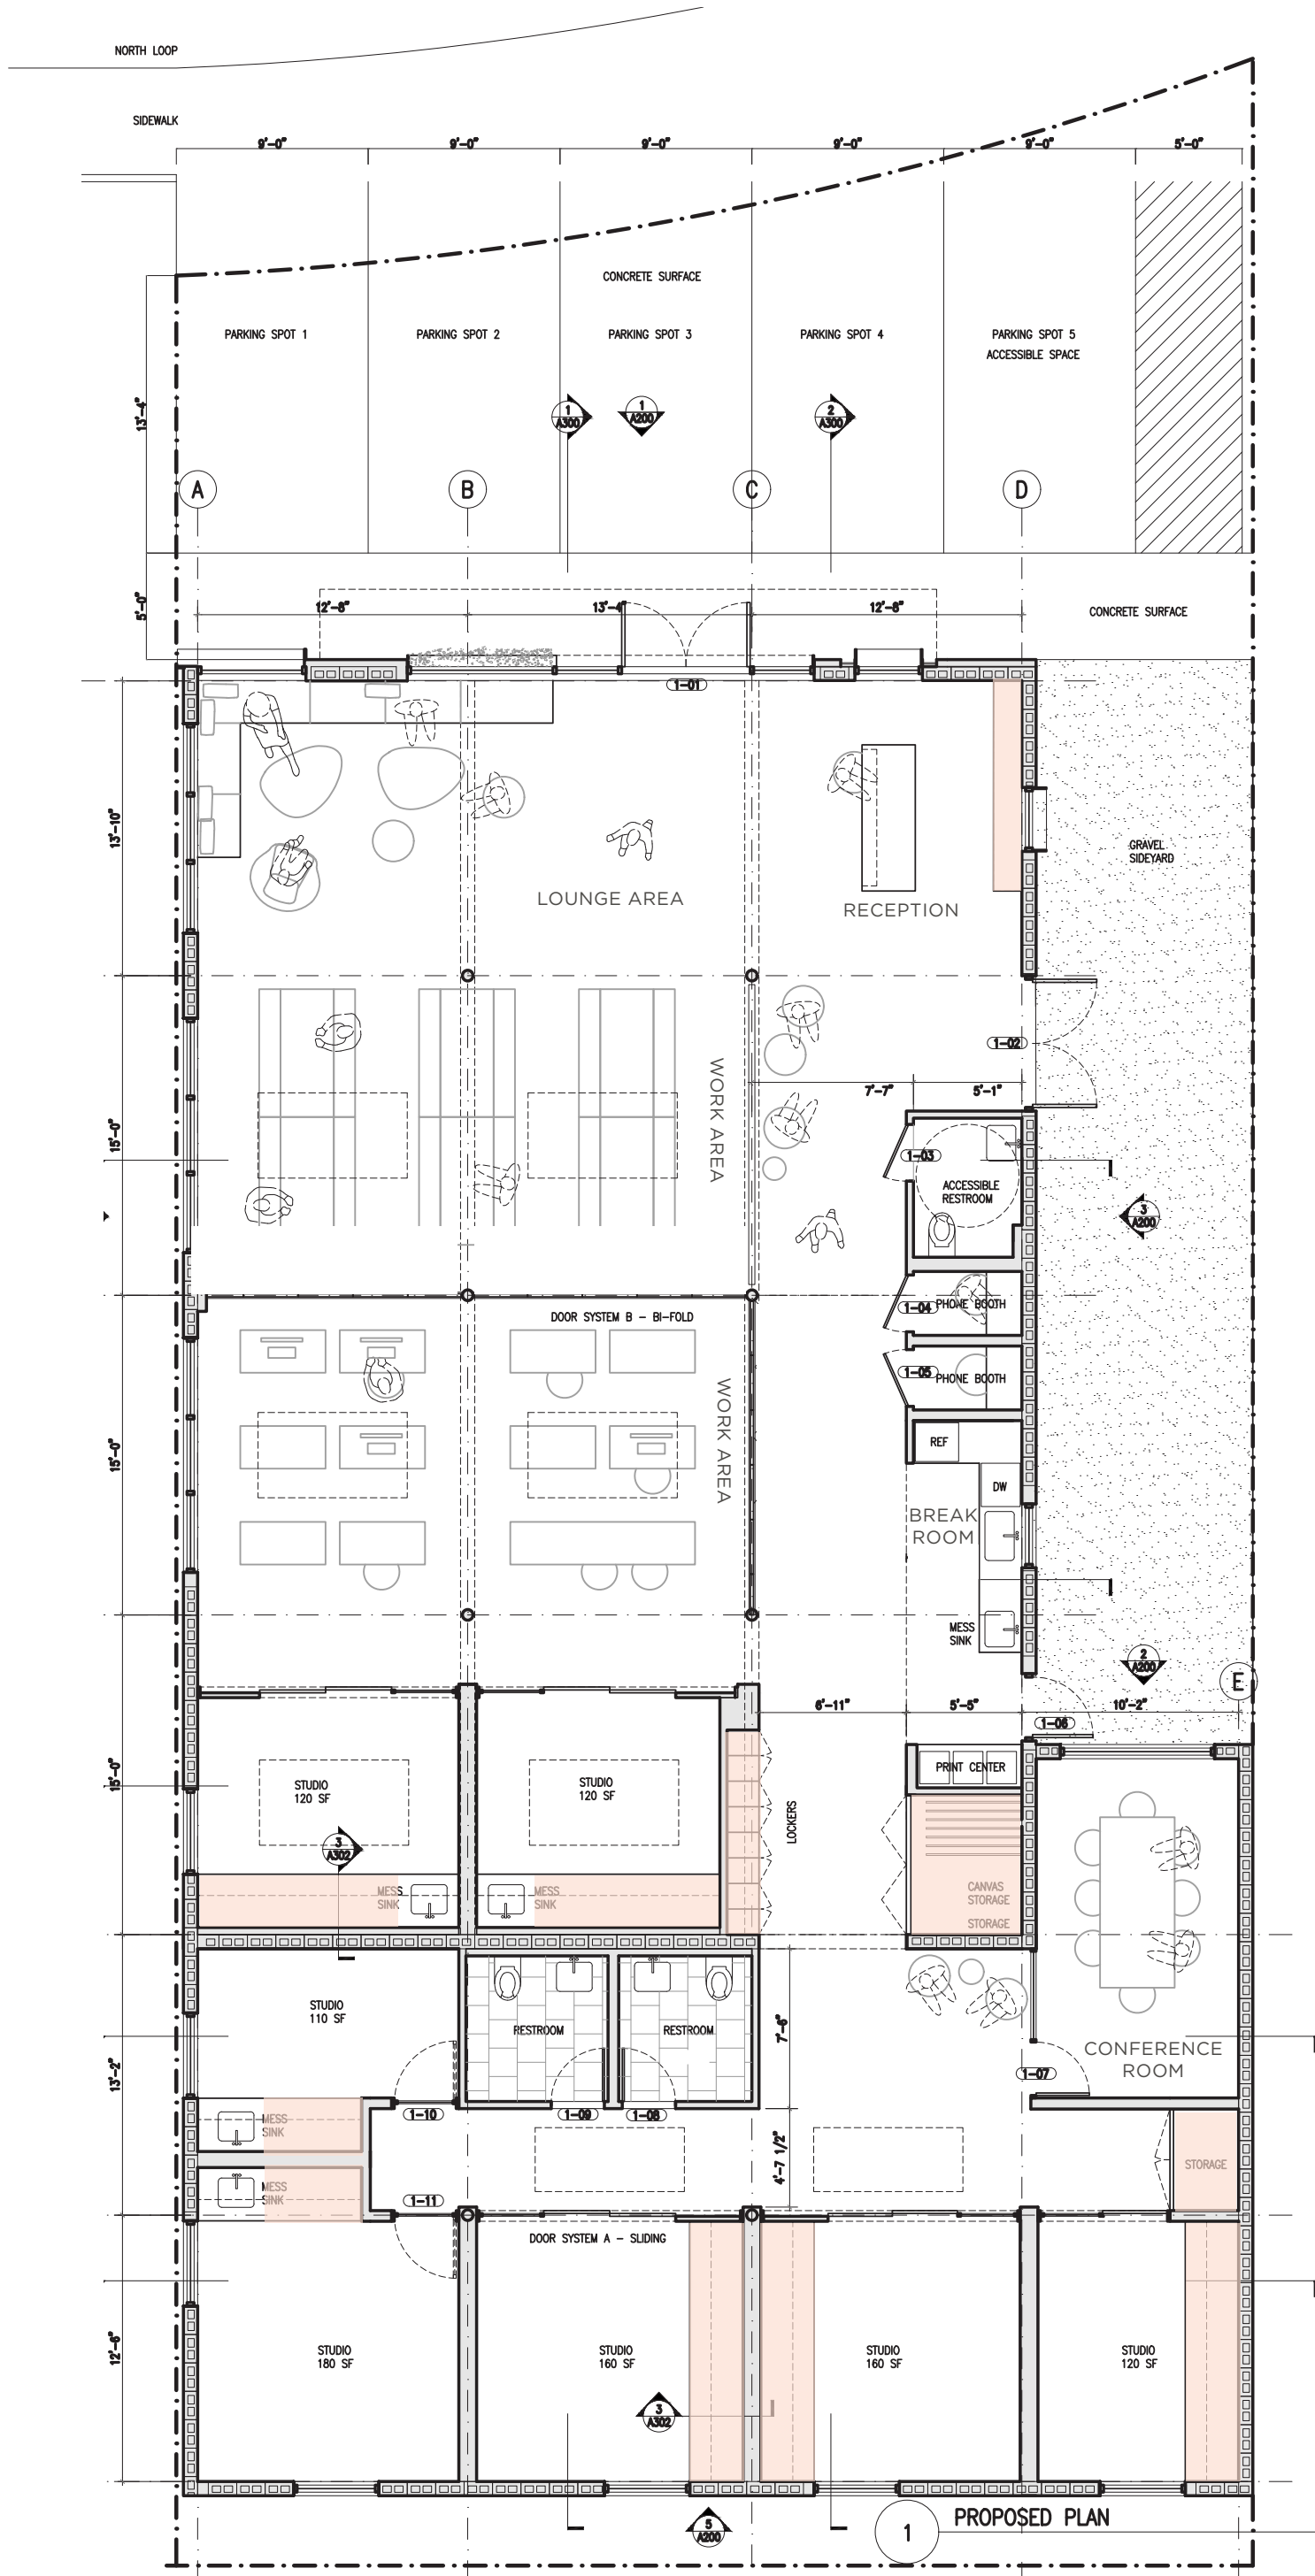

Owner Lauren Cunningham currently works at a creative co-working space in downtown Austin called The Refinery. This business model and its clientele are very similar to that of The Commune.

Lauren documented for one week (March 26 - 30, 2018) the number of members present each hour for 5 hours during normal business hours. Of 25 members who rent dedicated desks, an average of 5.2 people (21%) were present at any given time. We expect to have similar occupancy rates.

Hayley Swindell, owner of The Refinery, reviewed Lauren's analysis and agreed that this is representative of the general occupancy rates for The Refinery.
