

Motion Sheet – Option 1
Council Member Jimmy Flannigan
5/10/2018 Regular Council Meeting
Item 56

I move that this Code amendment be changed to:

1. Replace Subsection (D) in Part 2 with new language that allows each council committee assigned oversight of transportation, social service, or housing policies the ability to nominate one individual to serve on the joint committee.

This amendment would substitute the attached ordinance for the ordinance proposed by city staff.
