Re: Metric at Howard (C14-2018-0035) – Rezoning application for the 9.686 acre piece of property located at 13614 Metric Boulevard in Austin, Travis County, Texas (the “Property”)

Dear Mr. Guernsey:

As representatives of the owner of the Property, we respectfully submit a request for postponement of case C14-2018-0035 from the June 5, 2018 Zoning and Platting Commission agenda to the July 17, 2018 Zoning and Platting Commission agenda. This postponement request will allow us to review changes needed to the zoning boundary based on the right-of-way requests associated with the zoning case. This is our first request for postponement.

Please let me know if you or your team require additional information or have any questions. Thank you for your time and attention to this project.

Very truly yours,

Amanda Swor
