

AUSTIN TRANSPORTATION DEPARTMENT PARKING AND TRANSPORTATION MANAGEMENT DISTRICT – COLORADO RIVER AREA

URBAN TRANSPORTATION COMMISSION
June 12, 2018

Delivering a safe, reliable, and sustainable transportation system that enhances the environment and economic strength of the region.

OVERVIEW

- Stephen F. Austin Drive Parking – (Inter-Local Agreement with AISD)
- Parking and Transportation Management District (PTMD)
 - Application for a PTMD – Colorado River Area
- Overall Parking Management Strategy

Delivering a safe, reliable, and sustainable transportation system that enhances the environment and economic strength of the region.

INTER-LOCAL AGREEMENT

- Stephen F. Austin Drive is a privately owned street by AISD (Cesar Chavez to Veterans Drive)
- Request from AISD to partner with Austin Transportation
- Amend current ILA to include meter installation, maintenance and enforcement of parking regulations
- All meter funds collected, less city expenses, are given to AISD

Delivering a safe, reliable, and sustainable transportation system that enhances the environment and economic strength of the region.

Stephen F. Austin Drive Parking

- 151 spaces
- 11 pay stations
- Meter Hours:

Monday – Friday
6AM to 6PM

Saturday – Sunday
Free

Delivering a safe, reliable, and sustainable transportation system that enhances the environment and economic strength of the region.

BENEFIT TO COA INSTALLATION

A consistent on-street parking system that will reduce public confusion by providing continuity of service and enhances the overall mobility system within the area and city.

- + Same meter technology
- + Smart pay by phone app
- + Consistent rate structure
- + Consistent enforcement

Delivering a safe, reliable, and sustainable transportation system that enhances the environment and economic strength of the region.

ANTICIPATED IMPACTS

Increased parking pressure from paid parking on Stephen F Austin Drive will push parkers to the free parking space on Veterans & Atlanta Drives, parking lots, and surrounding streets.

- Low Turn Over
- Increased Congestion
- Decreased Mobility

Delivering a safe, reliable, and sustainable transportation system that enhances the environment and economic strength of the region.

COLORADO RIVER AREA PTMD APPLICATION

Delivering a safe, reliable, and sustainable transportation system that enhances the environment and economic strength of the region.

PTMD OVERVIEW
