- (H) "Respondent" means the employer named in a Complaint.

3. Filing of Complaints.

- (A) The Administrator will not investigate an alleged violation of Chapter 4-19 unless the allegation is the subject of a timely Complaint filed in accord with these Rules.
- (B) The Administrator may prescribe forms and administrative procedures for filing a Complaint.
- (C) A Complaint will be timely filed under these Rules if it is filed with the EE/FHO within the time prescribed in City Code §4-19-6(B). Under these Rules:
 - (1) A Complaint will be deemed filed with the EE/FHO as of the date the Complainant first contacts the EE/FHO, whether in-person or by telephone or email, provided that the Complainant also complies with any procedures established by the Administrator under Part 3(B) of this Rule.
 - (2) If the last day for filing a Complaint under §4-19-6(B) falls on a City, state, or federal holiday, a Complaint received on the next regular City business day following the holiday will be deemed filed on the last day prescribed in §4-19-6(B).
 - (3) A Complaint received by regular mail will be deemed filed on the date the Complaint is postmarked or the postage meter date if there is no postmark.

4. Investigation of Complaints.

- (A) Investigations shall be performed in a fair, impartial, and objective manner, according to the procedures below.
- (B) The Administrator may prescribe forms and administrative procedures for the investigation of Complaints.
- (C) Within two business days of receiving a Complaint that meets the requirements of these Rules, including any procedures prescribed under Part 3(B), the Administrator will assign the Complaint to an Investigator. The Investigator will allow the Complainant and the Respondent a full opportunity to present witness statements, documents, or other information relevant to the allegations in the Complaint, and will take or cause to be taken the following actions:
 - (1) Within 10 business days of receiving the assignment, the Investigator will make all reasonable efforts to schedule an initial interview with the Complainant.

The Investigator may request additional witnesses or documents from either the Complainant or the Respondent during the investigation.
- (F) Investigations are not governed by formal rules of evidence. The Investigator and the Administrator may consider information that tends to prove or disprove the allegations in the complaint, regardless of whether such information would be admissible in a court of law.

5. Final Determinations on Complaints.

- (A) The Investigator shall submit a recommended final determination to the Administrator on each Complaint assigned to the Investigator. The recommendation shall state whether the evidence is sufficient or insufficient to establish a violation of Chapter 4-19 based on a preponderance of the evidence submitted during the investigation.
- (B) The recommended final determination shall be made to the Administrator within 90 days of assignment of the Complaint to the Investigator. The Investigator shall provide the Complainant, Respondent, and Administrator a written justification concerning any Complaint for which a recommended final determination is not made within 90 days of the date the Complaint is assigned.
- (C) The Administrator shall independently review the Complaint and the evidence gathered during the investigation, and shall consider the Investigator's recommended final determination. Within 15 business days of receiving the Investigator's recommendation, the Administrator shall take one of the following actions:
 - (1) Return the Complaint to the Investigator for additional analysis or to gather and analyze additional evidence, and the Investigator shall perform the tasks assigned by the Administrator. The Investigator shall prepare a new recommended final determination for the Administrator's evaluation under this Part.

- (2) Issue a written notice of dismissal of the complaint if the Administrator concludes that a preponderance of the evidence does not establish a violation of Chapter 4-19.
 - (3) Issue a written notice of violation and civil penalty assessment to the Respondent in accord with City Code §4-19-6(C) if the Administrator concludes that a preponderance of the evidence establishes a violation of Chapter 4-19. The amount of the civil penalty assessment shall be determined under Part 6.
 - (a) For violations that occur after October 1, 2018, but before June 1, 2019, the notice shall state that a civil penalty shall be assessed for a violation that occurs after June 1, 2019, if the Respondent fails to establish voluntary compliance with the Ordinance to the satisfaction of the Administrator within 10 business days after the Respondent receives the notice.
 - (b) For violations of §4-19-5, Retaliation, that occur after October 1, 2018, the notice shall state that a civil penalty shall be assessed for a violation if the Respondent fails to establish voluntary compliance with the Ordinance to the satisfaction of the Administrator within 10 business days after the Respondent receives the notice.
 - (c) For violations that occur after June 1, 2019, the notice shall state that a civil penalty shall be assessed if the Respondent fails to establish voluntary compliance with the Ordinance to the satisfaction of the Administrator within 10 business days after the Respondent receives the notice.
- (D) If the Administrator issues a notice of violation and civil penalty assessment under Part 5(C)(3)(c):

 - (2) The Administrator shall issue a notice of violation and civil penalty assessment against the Respondent in the amount of the proposed civil penalty if the Respondent failed to establish to the satisfaction of the Administrator that the Respondent remedied the violation and voluntarily complied with the

Ordinance within 10 business days of receipt of the notice of violation and civil penalty assessment.

- (E) A notice of violation and civil penalty assessment issued under these Rules shall constitute a liability of the Respondent to the City, and shall be enforceable against the Respondent on the same basis as any other liability to the City.
- (F) The Administrator may dismiss a Complaint if a Respondent provides evidence satisfactory to the Administrator that the Respondent is exempt from Chapter 4-19, or that Chapter 4-19 does not otherwise apply to the Respondent.
- (G) The decision of the Administrator under this Rule is final. There is no right of appeal of any determination issued by the Administrator.
- (H) The Administrator shall endeavor to close the investigation and determination of all Complaints no later than the 120th day after the date the Complaint is assigned to an Investigator. If the Administrator is unable to close the investigation within the 120-day period, the Administrator shall notify the Complainant and the Respondent in writing of the reasons for the delay.

- (B) The Administrator may increase or decrease the amount of the proposed civil penalty under Part 6(A) in light of a demonstrated hardship to the Respondent or a history of non-compliance with Chapter 4-19 by the Respondent. The decision whether to increase or decrease a proposed civil penalty is subject to the following limitations:
- (1) In determining whether to increase or decrease a penalty, the Administrator may consider any of the following:
 - (a) The number of employees or others working for the Respondent;
