

MEMORANDUM

TO: Planning Commission Members

FROM: Sherri Sirwaitis
Planning and Zoning Department

DATE: June 19, 2018

RE: C14-2018-0001 (Metric and 183) Postponement Request

The staff would like to request an indefinite postponement of the above mentioned case. This rezoning request requires a Traffic Impact Analysis (TIA). The staff is asking for this postponement because the staff needs additional time to complete our review of the TIA for this case. The case will be re-notified before it comes back before the Commission for a public hearing.

The postponement request was made in a timely manner and meets the Planning Commission's policy.
