D. NEW BUSINESS: DISCUSSION ITEMS

2. Presentation, discussion, and possible action regarding Council Resolution No. 20180628-070 and the request for feedback on the appropriate process to use in a concession agreement extension with the Austin Rowing Club and potential contract terms

Ricardo Soliz, Acting Assistant Director, Idella Wilson, Contract Management Specialist, Lonnie Lyman, Senior Event Coordinator, and Samuel Hernandez, Contract Management Specialist, Parks and Recreation Department, introduced Council Resolution No. 20180628-070 and informed the Committee

Members of current terms of the contract with the Austin Rowing Club.

A discussion was held on current contract terms and ways to move forward with the expiring contract.

The preference of Committee is to use the solicitation process; however, since the Committee was directed by City Council to provide recommendations for extending contract to the current vendor, Committee members provided the following recommendations:

- Contract term: contract for 2 years with a 2 year extension option
- Revenue sharing: \$1,000 monthly fee, plus 1% of annual gross revenue less than \$80K, and 8% of gross revenue above \$80K which is an annual lump sum payment
- Expansion of existing footprint: no expansion
- Youth programming: \$40,000 per year (as recommended by staff)
- Financial assistance for rowing program memberships: no less than 10 and no more than 15% of the revenue share
- Relocation clause: remove relocation clause (as recommended by staff)
- New contract or amendment: new contract
- Maintenance: as recommended by staff
- Utilities: as recommended by staff
- Other deliverables: as recommended by staff

Committee also recommend that a briefing with the recommendation is brought to the full board in July.

Committee Member DePalma moved to approve the recommendations listed above. Committee Member Lewis seconded the motion. Committee Member Luca proposed and amended to post this item for the next Parks and Recreation Board meeting for discussion and possible action instead of the briefing. Motion carried as amended on a vote of 3-0 with Committee Members Casias and Farasat absent.
