

906 E. 14th Street – Fence in a historic district

Hi Steve,

Here are the photos for the fence at 906 E. 14th St. As we discussed, a permit is not required by code, but due to the historic nature of the property this needs to be reviewed and approved. I will send an update later on today or tomorrow to Mrs. Ora Houston on this case, as of this point we have no code violations.

Thanks,
