ANALYSIS / ADDITIONAL INFORMATION: The FY2014-15 Capital Budget appropriated \$6.26 million to address the renovations of Govalle and Shipe Pools. At this point, budget estimates were based on findings of the Aquatics Assessment and Master Plan and both projects received equal portions of the appropriation. When construction bids for Govalle exceeded estimates, additional funds were allocated to the Govalle Pool Renovation project from existing 2006 and 2012 Bond funding for the Aquatics program. The \$1.30 million amendment will provide sufficient funding to complete the Shipe Neighborhood Park Pool Renovation project.
