**CASE:** C14-2007-0087 (RCA) (Parmer Village)

**Z.A.P. DATE:** August 7, 2018

**ADDRESS:** 800 East Parmer Lane

**DISTRICT AREA:** 7

**OWNER/APPLICANT:** Ly Austin and Nguyen, L.P.  
(Kevin Nguyen)

**AGENT:** Tri County Consultants  
(Phillip Duprey)

**EXISTING ZONING:** GR, LR-CO

**AREA:** 18.9820 acres

### **SUMMARY STAFF RECOMMENDATION:**

Staff recommends the proposed amendment to the public restrictive covenant to 1) remove paragraph 1 that necessitates compliance with the conditions of the TIA dated June 30, 2007 and 2) to remove paragraph 3 that requires public access easements for the connection of Josh Ridge Boulevard to Harris Ridge Boulevard.

### **ZONING AND PLATTING COMMISSION RECOMMENDATION:**

8/07/18: Approved staff's recommendation for the restrictive covenant amendment by consent (8-0, D. Breithaupt- arrived late, B. Evans-absent); S. Lavani-1<sup>st</sup>, A. Denkler-2<sup>nd</sup>.

### **DEPARTMENT COMMENTS:**

The applicant is requesting an amendment to the restrictive covenant associated with zoning case C14-2007-0087 (Vina Plaza) to remove item/paragraph 1 that states that, "A site plan or building permit for the Property may not be approved release or issued if the completed development or uses of the Property, considered cumulatively with all exiting or previously authorized development and uses, generated traffic that exceeds the total traffic generation for the Property as specified in the Traffic Impact Analysis ("TIA") prepared by Robert J. Halls and Associates, dated June 30, 2007,..." and to remove item/paragraph 3 that states, "Prior to site plan approval, a 26-foot wide public access easement and a 30-foot wide public access easement shall be provided between the terminus of Josh Ridge Boulevard and Harris Ridge Boulevard to provide two access points to Harris Ridge Boulevard. Parking is prohibited along the entirety of the access easements unless otherwise approved by the Director." The applicant's request letter is included as Attachment A to this report.

The staff recommends the applicant's request to amend the public restrictive covenant to remove items/paragraphs 1 and 3. The applicant would like to delete these conditions from the public restrictive covenant as they are proposing to rezone the property to add a MU, Mixed Use Combining District, to the existing GR, Community Commercial District zoning, through case C14-2016-0094 (Parmer Village). The applicant would like to develop a mixed use project on the site that would contain multifamily residential, a hotel, indoor entertainment (a movie theater), personal improvement services (a fitness center), financial services and restaurant uses. As a requirement of the current rezoning case, the applicant has conducted a new Traffic Impact Analysis ("TIA") for this property. The conditions of this "TIA" prepared by LJA Engineering, dated March 6, 2018, will be recorded in a new public restrictive covenant along with the rezoning ordinance for zoning case C14-2016-0094.

The applicant agrees with the staff's recommendation.
