

BOARD/COMMISSION RECOMMENDATION

Hispanic/Latino Quality of Life Resource Advisory Commission

Recommendation Number: 20180828-005b : Discussion and possible action to recommend that the City Council consider the following resolution:

BE IT RESOLVED that the Hispanic/Latino Quality of Life Resource Advisory Commission requests that the Austin City Council: At the August 28 Hispanic/Latino Quality of Life Commission meeting, commissioners clarified their budget recommendation for a Community Engagement FTE supporting the Restore Rundberg initiative. During this meeting, commissioners heard from Monica Guzman (Restore Rundberg Chair) and Ann Teich (Restore Rundberg Vice-Chair), who recommended that the position be placed within the Communications and Public Information Office (CPIO)/Community Engagement Division. Their reasoning was to provide a citywide perspective on engagement across all departments and services.

The original recommendation laid out several options for the position, and it was ultimately placed in the Parks and Recreation Department (PAR) budget.

The Commissioners unanimously voted to support their recommendation, and ask that the Council consider moving this FTE from PAR to CPIO as per the recommendation from the Restore Rundberg leadership and the Hispanic/Latino Quality of Life Commission.
