

HISTORIC LANDMARK COMMISSION DESIGN STANDARDS WORKING GROUP (RECOMMENDED)

Purpose

The Design Standards Working Group will recommend common design standards to the Historic Landmark Commission.

Time overview

The working group is anticipated to convene for its initial meeting in early November, with work concluding in or by fall 2019. The entire group will meet approximately six (6) times over that period, though smaller teams may meet more frequently to accomplish specific tasks. Meetings will be held at times that accommodate as many members as possible; evening meetings are possible.

Recommended stakeholders

The working group shall include:

- Historic Landmark Commission representatives, including an architect and a non-architect
- Historic landmark owner(s)
- Local historic district property owner(s)
- National Register historic district property owner(s)
- Architect(s) with experience working on historic properties
- Builder(s)
- Preservation consultant(s)
- Preservation Austin staff and/or board member(s)
- Historic Preservation Office staff member(s)
- Urban Design staff member(s)
- Law Department staff member(s)

The working group may additionally include:

- Representatives from potential historic districts
- Landscape architect
- Planning Commission representative
- Urban Design Commission representative
- Texas Historical Commission staff member(s)
- Graduate student in relevant field (e.g., historic preservation, architecture, urban planning, landscape architecture, public history)
- Other stakeholders TBD
