Additional Backup Information:

Conduct a public hearing to consider an ordinance for the proposed street name change of Manchaca Road to be changed to Menchaca Road. An application was submitted by Council Member Sabino Renteria. The reasons for the street name change as stated on the application are consistent with Code Section 14-5-4.

As of August 20, 2018 there were approximately 1,763 property owners abutting Manchaca Road within the City of Austin full purpose jurisdiction, as determined by CTM Addressing Services. All of these property owners were sent notice of public hearing, a link to background information on the street name change case, and a link to an online comment form where they could express their support or opposition of the street name change and submit comments. Out of the 63 respondents who own property along Manchaca Road and completed the survey, 11 (17.5%) support the name change, and 52 (82.5%) oppose the name change. A detailed summary of responses will be provided prior to the public

hearing.

Concur review forms were sent to seven agencies to ensure the street name change would not pose conflict with services: Austin Fire Department, Austin Police Department, Austin Transportation Department, Emergency Medical Services, Texas Gas Service, Travis County, and United States Postal Service. A summary of responses will be provided prior to the public hearing.

Through conversations with representatives from Travis County and Texas Department of Transportation (TxDOT), staff determined that the portions of Manchaca Road located outside of City of Austin would retain their TxDOT numbered highway name (FM 2304).

Staff has determined this request to be consistent with the City's Codes and Policies.
