

City Council Item #28 Revision

Exhibit A – newly added projects, and Exhibit C – Quarter Cent Project List, are revised to reflect the following District 7 projects:

District	Program	Project Name	Budget*	Description/Update
7	Signals Program	New Pedestrian Hybrid Beacon (PHB) at West 45 th Street at Sinclair Avenue	\$100,000	Construct a Pedestrian Hybrid Beacon (PHB) at West 45 th Street near Sinclair Avenue.
7	Multiple	Gault Street/Wooten Drive pedestrian safety improvements	To be determined based on project scope	Staff is to determine the feasibility of and produce a corresponding cost estimate for pedestrian safety improvements at Gault Street/Wooten Drive. If improvements are not feasible and/or if there are not enough District 7 remaining funds for the improvements, then this project will be removed from the Quarter Cent list.
7, 4	Signals Program	New traffic signal at North Lamar Boulevard and Banyon Street	\$200,000	<p>Staff will conduct a warrant study to determine if a new signal is warranted, and, if warranted will construct a New traffic signal at North Lamar Boulevard and Banyon Street.</p> <p>If the signal is not warranted, this project will be removed from the Quarter Cent List.</p> <p>Funding for this project may be cost shared between Districts 4 and 7; amounts of participation to be determined.</p>
