

## MEMORANDUM

TO: Mayor and Council

FROM: Joe Pantalion, Interim Assistant City Manager *JP*

DATE: October 4, 2018

SUBJECT: Resolution No. 20180628-121 – Waller Creek Local Government Corporation

---

On June 28, 2018, City Council adopted Resolution No. [20180628-121](#) directing the City Manager “to explore the expansion of the Waller Creek Local Government Corporation to ensure sufficient amounts of philanthropic representation, financial oversight and integrity, ethnic and geographic diversity, and community representation reflective of a project this size by adding community members, such as those in the Quality of Life Commissions, Parks and Recreation Board, and the Environmental Board, to assure that design and funding mechanisms will be implemented fairly and ensure a positive impact to all citizens of Austin.”

City departments involved with the revitalization and restoration of the Waller Creek District have been working on various options for achieving the objectives of the resolution. Although staff will not be prepared to provide recommendations by the October 4, 2018 deadline, we do anticipate bringing forward a full response by November 30, 2018.
