Approach to Policy Development

Develop policies and programs that support the implementation of the transportation network:

- ✓ Identify chapters of the ASMP to address all 8 Goals
 - ✓ Review existing plans
 - ✓ Inventory all plan objectives and recommendations
 - ✓ Organize and make determinations of what items to keep, revise for ASMP
 - ✓ Identify gaps in existing policy and needed future policy
 - ✓ Meet with internal / external departments and agencies to review policies
- ❑ Gather feedback from community members and groups
 - ❑ Make adjustments based on feedback
