This message is from Lawrence Pierce. [REDACTED]

I am in Favor, however, I do have a request, that all building will follow, strict guidelines of the city, and of the neighborhood. Verde Builders have completely violated every code in the book, I have filed complaints and turn it to the Council, and the member of this district. Verde Builders completely disregard citizens in the area while building homes. This is a warning to the city of Austin, and the company, that I will file complaints after complaints against any construction crew that does not inform the citizens of this area, of blocking streets, working on weekends, and extending hours past 5PM.

I would expect companies to inform citizens of their "Due Process Rights.

Thank You
