Re: September 20, 2018, Austin City Council Meeting
Live Oaks Springs, Case Number: C8J-2016-0228

Mayor and Council Members,

I request you deny the appeal filed by the Live Oak Springs Development group seeking a variance to build a bridge across Slaughter Creek.

I regret I could not attend this very important meeting potentially adversely impacting the future of our neighborhood and Austin's water quality preservation initiative. I appreciate you taking the time to consider the concerns of all the residents of Southwest Hills – those that are here today and those who could not be here today due to work, travel, or other commitments.

Though I am unable to personally appear before you, I fully support the representatives of our community speaking and appearing at this meeting.

Respectfully,
