Downtown Construction Worker Parking**

The purpose of this memorandum is to provide an update to you on [City Council Resolution No. 20180614-063](#) (CIUR 2041) related to management of downtown parking for construction activities. We previously [communicated by memo](#) our goal of returning to Council with an update by this month, however, we continue to work with the Law Department and construction industry representatives to further refine our recommendations. We now anticipate bringing forward two separate ordinance revisions to the Mobility Committee and to Council in early 2019 that will modify Chapters 14-11 and 12-5, to comply with Resolution No. 20180614-063.
