**FROM:** Rosie Truelove, Director  
Neighborhood Housing and Community Development Department

**DATE:** November 26, 2018

**SUBJECT:** Response to Resolution 20170817-053 regarding the Anti-Displacement Task Force

---

City Council [Resolution No. 20170817-053](#) directed the City Manager to create the Anti-Displacement Task Force to review and recommend specific strategies for the following five categories:

- 1) preserving and expanding the supply of affordable housing;
- 2) controlling land for community development;
- 3) preserving and growing small businesses and cultural assets;
- 4) income and asset creation by providing needed services; and
- 5) financing strategies to provide community-specific ways to fund the other four categories of action.

The Task Force first convened in December 2017 and met monthly to develop recommendations, opting not to make recommendations regarding the *category income and asset creation by providing needed services* (category 4 above).

The Task Force's final recommendations are attached. The Task Force co-chairs will present these recommendations at the Austin City Council work session on November 27, 2018.
