**RE: 6901 Bee Cave Road—C14-2018-0056 & C14-85-288.43**

Ms. Chaffin:

The Oak Hill Association of Neighborhoods, at its November 12, 2018 membership meeting, voted to support the request to upzone property at 6901 Old Bee Caves Road. The sole condition was that industrial uses would not be allowed. I understand that this was what the owner was proposing all along. Therefore, there are no exceptions to or conditions on OHAN's support for what the owner is requesting. OHAN is fully supportive of the zoning change so long as the industrial uses are prohibited.

If you have any questions, please feel free to contact me at (512) 263-2666 x103.
