SUMMARY OF REVIEW COMMENTS REPORT

F#10048-1810 ALLEY VACATION (689 SF PORTION)

[BETWEEN W 17TH ST AND W 18TH ST, AND GUADADLUPE ST AND SAN ANTONIO ST]

CONDITIONAL APPROVAL COMMENTS

AUSTIN WATER

ASSESSMENT: Case No.: 10048-1810 Alley Vacation (689 sq. ft.) West 17th Street.

See response given below:

Austin Water (AW) has no objection to the vacation of **689 sq. ft.** portion out of a 20-ft wide tract of land, known as the alley dedicated in the Plat of Outlot 33, Division "E", right of way between West 17th Street and West 18th Street, and extending from Guadalupe Street to San Antonio Street in the City of Austin Travis County, Texas.

However, there is an active 6-inch concrete wastewater line within the requested area for vacation, which requires protection and considerations. This line provides service to multiple properties including the West Campus Apartments locate at 1715 Guadalupe Street, built in 2014.

In exchange for AW approval on the vacation request, a new wastewater easement must be dedicated to the city covering the active wastewater line. Once the new wastewater line diverting proposed and existing wastewater flows is completed, tested, and approved by City of Austin and as-built plans for the new wastewater line has been received and approved by AW infrastructure Records the new easement can be request for released." – **Angela Baez, Austin Water**

AT&T

ASSESSMENT: "Records show an aerial fiber and copper cable in this tract. Facilities along this tract can't be vacated until an agreement is reached for relocation" – **David Williams, AT&T**

CHARTER/SPECTRUM COMMUNICATIONS

ASSESSMENT: "Spectrum approves under the condition of the relocation of existing equipment is provided by the Customer/Owner/Developer." – **Timothy White, Charter Communications**

Re: Alley Vacation Applications (2) – Alley running between West 18th
and West 17th Streets immediately west of Guadalupe Street

Greetings:

Attached are two applications for the vacation of the alley running between West 18th and West 17th Streets west of Guadalupe Street. The property currently owned by Stephen McNally is expected to be conveyed to the owner of the remaining property, Travis Hotel Group LLC or its successor in interest, during the processing of this alley vacation.

The purpose of this request is to allow for future development of the block as one project. Below are answers to the application questions.

1. Is this a residential or commercial project?

Applicant anticipates a commercial development consisting of an office and Travis County courts facility.

2. How was the area to be vacated dedicated? By plat or by separate instrument?

The alley was dedicated by the Plat of the City of Austin dated July 1876 and available at the Austin History Center as L-0033.

3. Did the City purchase the area to be vacated? (i.e., by Street Deed)

We found no deed or easement.

4. Are both the area to be vacated and your property in the same “subdivision”?

The alley to be vacated is located within one of the Outlots of the City of Austin and all properties adjacent to the alley are in the same Outlot.

5. Is the area to be vacated functional right-of-way, or is it only dedicated on paper?

Currently, the alley is paved and used for surface parking access.

6. Are there any utility lines within the area to be vacated? If yes, what are your plans for the utilities? Applicants should be advised that easements will be retained to protect existing utilities, even if utility relocation is proposed. Also be advised that no structures may be built on, over or under the easements without a license agreement, insurance, and annual fee.

Yes, there is an operational wastewater line in the alley. The plan would be to dedicate easements as necessary and relocate the wastewater line as part of the project to maintain service to the buildings across Guadalupe. Service to the only remaining building on the block will not be required because it will be demolished.

7. How do you plan to develop the area to be vacated?

The development plans are for a Travis County courts facility and a future office building.

8. Has a site plan been submitted on your project?

No.

9. Is your project a Unified Development?

It is anticipated the owner's contiguous properties will be replatted to a single lot or part of a Unified Development Agreement.

10. Is your project a S.M.A.R.T. Housing Project?

No.

11. When do you anticipate starting construction of the development?

Construction is anticipated to begin in 2019.

12. What is the current zoning on the adjacent properties?

DMU

13. What is the current status of the adjacent properties?

Adjacent properties are surface parking and a commercial/residential building that will be

demolished as part of the development.

14. What type of parking facilities currently exist?

Surface parking is available adjacent to the alley.

15. Will your parking requirements increase with the expansion?

Any redevelopment would meet or exceed code requirements for parking.

16. How will the increase be handled?

Parking will be handled on site below grade.

17. Have any agreements or easements been executed with adjacent landowner(s) or in draft form? If yes, please include this in your letter and provide us with a copy.

No.

18. Does the area to be vacated lie within the Austin Downtown Plan (DAP)? Does it meet DAP criteria?

The property lies in the Uptown/Capitol District and meets AU-5 as it will provide opportunities for Downtown office and employment uses. Keeping Travis County courts in downtown allows easier access for City of Austin and Travis County residents from all parts of the City and County by utilizing the existing and future planned transit systems.

19. Does the area to be vacated lie within UT boundaries: East of Lamar Boulevard, west of IH- 35, north of Martin Luther King Boulevard, and south of 45th Street?

No, the area to be vacated lies south of Martin Luther King Boulevard.

20. Does the proposed vacation support the Priority Programs and policy directives set forth in the Imagine Austin Comprehensive Plan? If so, how?

This proposed alley vacation supports the Priority Programs in the areas of Compact and Connected and Workforce. The redevelopment will increase employment opportunities close to downtown with urban transit options, such as train, bus and bike way.

Thank you in advance for your time and consideration of this application. If you have any questions or need additional information, please do not hesitate to contact me at (512) 435-2394.

Respectfully,

Michael J. Whellan
