DATE: May 8, 2000

CASE NUMBER: C15-00-036

APPLICANT: Richard Maier for Toby Zimmerman

ADDRESS: 1108 West 11<sup>th</sup> Street

VARIANCE REQUESTED: The applicant has requested a variance to decrease the minimum front street setback requirement of Section 25-2-492(D) from 25 feet to 5 feet along the south property line in order to allow the construction of a single family or duplex residential use (existing residence to be removed) in an "MF-4", Multifamily Residence (moderate-high density) zoning district.

The applicant has requested a variance to decrease the minimum rear yard setback requirement of Section 25-2-492(D) from 10 feet to 5 feet along the north property line in order to allow the construction of a single family or duplex residential use (existing residence to be removed) in an "MF-4", Multifamily Residence (moderate-high density) zoning district.

BOARD'S DECISION: GRANTED 4-1 (BE NO) WITH CONDITIONS:  
PROPERTY WILL BE RESTRICTED TO NO GREATER THAN TWO FAMILY RESIDENTIAL USE, WILL BE RESTRICTED TO 40 FEET IN HEIGHT, FOOTPRINT WILL NOT EXCEED PLAN DATED 5/4/00 AND EXISTING OAK TREE WILL NOT BE REMOVED. THERE WILL BE A 30 YEAR DEED RESTRICTION ON THE PROPERTY.

FINDINGS:

1. The Zoning regulations applicable to the property do not allow for a reasonable use because:

2. (a) The hardship for which the variance is requested is unique to the property in that:

(b) The hardship is not general to the area in which the property is located because:

3. The variance will not alter the character of the area adjacent to the property, will not impair the use of adjacent conforming property, and will not impair the purpose of the regulations of the zoning district in which the property is located because:
