2408 Leon St. - Planning Commission Item D-01 11/27 agenda, C14-2018-0112

Dear Mr. Rivera, please include this letter in back-up to case in the 11/27 PC agenda.

The Central Austin Combined Neighborhood Plan Contact Team, the Central Austin Neighborhood Planning Advisory Committee (CANPAC) is opposed to the zoning change from MF4-CO-NP to GO-MU-NP, and opposed to the height increase for a single site in the University Neighborhood Overlay at 2408 Leon St.

Sincerely,
Bart Whatley, Co-Chair CANPAC
