Dear Mr. Ho:

Austin Water has reviewed your submitted for the above referenced Service Extension Request (SER) project and is issuing this letter of Submittal and Sufficient Existing Service in keeping with all current rules and regulations.

Based on the following submitted project specifications:

Duplex Units: 4

Living Unit Equivalent (LUE): 12

This letter regarding the aforementioned Service Extension Request will automatically expire 180 days after its date of issue unless a development application has been accepted by the Development Services Department. The letter expires on the date the development expires, or if approved, on the date the development application approval expires.

If we can provide additional information, please call me at (512) 972-0256.
