### **Additional Backup Information:**

If approved, this ordinance clarifies where alcohol is allowed within the park system; further refines amendments relating to commercial activity, which were initially made in 2017 following Council's approval of Parkland Events Taskforce Report; clarifies the director's authority; and better aligns the City Code and park rules. Additionally, if approved, the ordinance will replace all references to "Town Lake" with "Lady Bird Lake" and amends the captions of certain sections within Title 8.
