

ZONING CHANGE REVIEW SHEETCASE: C14-2019-0002 – Avenue G DuplexesDISTRICT: 4ZONING FROM: LR-CO-NPTO: LR-MU-CO-NPADDRESS: 5303 Avenue GSITE AREA: 0.1501 AcresOWNER: 5303 Avenue G Five Star LLCAPPLICANT: Luis CarilloCASE MANAGER: Scott Grantham (512-974-3574, scott.grantham@austintexas.gov)STAFF RECOMMENDATION:

Staff recommends neighborhood commercial - mixed use - conditional overlay - neighborhood plan (LR-MU-CO-NP) combining district zoning. Conditional overlay to prohibit the following uses: medical office (exceeding 5,000 square feet), service station, residential treatment. For a summary of the basis of staff's recommendation, see page 3.

PLANNING COMMISSION ACTION / RECOMMENDATION:**March 12, 2019****Scheduled for Planning Commission**CITY COUNCIL ACTION:**April 11, 2019****Scheduled for City Council**ORDINANCE NUMBER:

ISSUES:

The subject property is comprised of two narrow lots with one single family house spanning both lots. The house was built in 1941 and, as a residential use, is considered an existing non-complying use in the LR-CO-NP zoning district. The applicant's conceptual plan is to demolish the house and construct two residential structures with two units in each, for a total of four units. They have requested the addition of Mixed Use (-MU) to the zoning, which would allow these units to be built.

The existing conditional overlay (CO) was approved with the North Loop Neighborhood Plan ordinance in 2002 (See Exhibit C). The CO prohibited a set of uses - medical offices, service station, and residential treatment. In addition, it expressly allowed a Neighborhood Mixed Use Building (NMUB), and according to planning ideas at the time, did so in lieu of adding MU to the zoning.

The Neighborhood Mixed Use Building (NMUB) was intended to be a small-scaled mixed use building with both commercial and residential uses. It was one of the tools provided during the neighborhood planning process. The main differences between MU and NMUB are the requirement for a mix of commercial and residential uses and the design regulations. Since its adoption in 2000 the NMUB was never used; rather, developers used other tools to build traditional building forms. The NMUB is no longer seen as an important or useful tool, and MU is a preferred way to allow for a mix of uses.

The applicant met with the North Loop Contact Team and discussed their proposal. The group subsequently sent a letter of support for the rezoning (See Exhibit D).

CASE MANAGER COMMENTS:

The subject property is comprised of two lots - Lots 29 and 30, Block 42 of Highlands Subdivision. It is located in the North Loop Neighborhood on Avenue G, just north of the E 53rd Street. Access is taken from Avenue G, and from an alley that runs north and south behind the property. The property is relatively flat and not in a floodplain.

North of the property are tracts zoned SF-3 on which single family houses are located. To the east is an alleyway, and on the other side is a tract zoned GR-CO-NP with a single family house and a restaurant on the corner of E. 53rd and Avenue H. To the south are two narrow lots, zoned LR-CO-NP, on which a single family house and an accessory dwelling unit are located. Across Avenue G to the west are tracts zoned GR-CO-NP to the southwest, and SF-3-NP to the northwest, which have single family with accessory dwelling units, and duplex residential. In the surrounding blocks, there are several two-family dwellings and accessory dwelling units.

The proposed LR-MU district would be roughly equivalent to the MF-2 category in terms of allowable units. The minimum site area is 1,600 square feet per efficiency, 2,000 square feet per one bedroom unit, and 2,400 square feet per two or more bedroom unit (§ 4.2).

BASIS OF RECOMMENDATION:

Staff recommends neighborhood commercial - mixed use - conditional overlay - neighborhood plan (LR-MU-CO-NP) combining district zoning. Conditional overlay to prohibit the following uses: medical office (exceeding 5,000 square feet), service station, residential treatment.

The conditional overlay is already existing, and was approved with the North Loop Neighborhood Plan ordinance (See Exhibit C). The existing CO provision to expressly allow for a Neighborhood Mixed Use Building is not recommended to be extended as a new CO, for the reasons stated in the issues section above.

Regarding the addition of mixed use (-MU) to the zoning, the first basis of the recommendation is that zoning should allow for reasonable use of the property. The existing single family house has been on the property for decades, and the addition of MU will make the house into a complying use, and allow for residential development of the site within a primarily residential neighborhood.

The second basis is that the rezoning should be consistent with the policies and principles adopted by the City Council or Planning Commission. The North Loop Neighborhood Plan envisioned a mixed use building on the site, to include both residential and commercial uses. Further, the property is situated in an activity corridor, which also encourages mixed use. Although the conceptual plan does not include commercial, the proposed zoning would add Mixed Use (MU), and increase the long-term flexibility of the site to accommodate a mix of uses.

The third basis is that the proposed zoning should satisfy a real public need and not provide special privilege to the owner. There is an identified need for additional housing throughout the city. The addition of the MU simply allows the property owner to build housing on the site, within a neighborhood that is already primarily residential.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
Site	LR-CO-NP	Single Family Residential
North	SF-3-NP	Single Family Residential

RELATED CASES:

The subject property is Lots 29 and 30, Block 42 of Highlands Subdivision, Travis County Plat, Volume 3, page 55.

The property is part of the North Loop Neighborhood Plan, and is designated as Tract 44 in the neighborhood plan ordinance (See Exhibit C), and was rezoned from LR to LR-CO-NP. The applicable provisions of the conditional overlay are as follows: A Neighborhood Mixed Use building is allowed; the following uses are prohibited: Medical Offices (exceeding 5,000 square feet), Service Station, and Residential Treatment.

EXISTING STREET CHARACTERISTICS:

Street	ROW	Pavement	Classification	Sidewalks	Bike Route	Capital Metro (within ¼ mile)
Avenue G	45	30	Local	None	None	Route 7

OTHER STAFF COMMENTS:Comprehensive Planning

This zoning case is located on the east side of Avenue G, on a 0.19 acre lot that contains a single family house. The property is located in the North Loop Neighborhood Planning Area. Surrounding land uses includes single family houses to the north; retail uses and single family houses to the south; single family houses, a used car lot, restaurants, shops, and a small grocery store to the west; and single family houses to the east. The proposed use is for two multifamily structures.

Connectivity. The Walkscore for this site is **65/100, Somewhat Walkable**, meaning some errands can be accomplished on foot. Public transportation is located within 300 ft. walking distance from property. There are no public sidewalks located along Avenue G but E 53rd Street is located 75 ft. due south of this property, and includes public sidewalks, bike lanes and public transit stop and retail uses, making the mobility and connectivity options in this area above average.

North Loop Neighborhood Planning Area (NLNPA)

The NLNP Future Land Use Map Designates (FLUM) this portion of the planning area as 'Mixed Use' and Zone LR-MU is permitted under this future land use designation. The following goals and objectives listed below that are applicable to this case.

Goal 1: Encourage compact and human-scale land use. (p. 17)

Objective 1.1: Create a vibrant, mixed use neighborhood that includes mixed use buildings with residential and office space above ground floor retail.

Objective 1.2: Promote commercial and residential infill that supports and enhances the character of the neighborhood.⁶

Goal 2: Encourage housing for a variety of income levels. (p. 17)

Objective 2.1: Provide additional opportunities for housing choice through secondary apartments, mixed use, and small scale multi-family.

Goal 5: Enhance the neighborhood's existing commercial corridors (Airport Boulevard, North Loop/53rd commercial center, Lamar Boulevard, and Koenig Lane). (p. 18)

Objective 5.1: Develop rezoning recommendations that would encourage mixed use and a greater diversity of land uses and businesses.

North Loop Vision for Residential Areas (pg. 24)

The residential character of the future North Loop Neighborhood Planning Area is characterized by single family as well as some smaller scale, but higher density development such as smaller apartment complexes, condominiums, and townhouses. The future North Loop Neighborhood Planning Area will be mixed use and mixed income, with a particular focus on affordable housing. Older homes will be preserved but additional opportunities for housing choice, through secondary apartments, mixed use and small-scale multi-family will be added. Housing choice and diversity were important themes of a North Loop Neighborhood Planning Area vision.

Analyzing the NLNP policies, text, and FLUM, it appears to support mixed use and a variety of housing choices in this area.

Imagine Austin

The Imagine Austin Growth Concept Map identifies the subject property as being located by an **Activity Corridor (53rd Street)**. Activity Corridors are intended to allow people to reside, work, shop, access services, people watch, recreate, and hang out without traveling far distances. The following Imagine Austin Comprehensive Plan policies are applicable to this case:

- **LUT P3.** Promote development in compact centers, communities, or along corridors that are connected by roads and transit, are designed to encourage walking and bicycling, and reduce healthcare, housing and transportation costs.
- **HN P1.** Distribute a variety of housing types throughout the City to expand the choices able to meet the financial and lifestyle needs of Austin's diverse population.
- **HN P10.** Create complete neighborhoods across Austin that have a mix of housing types and land uses, affordable housing and transportation options, and access to schools, retail, employment, community services, and parks and recreation options.

Based upon: (1) *Imagine Austin* policies referenced above that supports mixed use and residential uses; (2) the property being located by an Activity Corridor, which supports Mixed Use; and (3) the mixed use and residential policies in the NLNP, which supports a variety of housing choice, this project appears to support the Imagine Austin Comprehensive Plan.

Environmental

The site is not located over the Edwards Aquifer Recharge Zone. The site is located in the Waller Creek Watershed of the Colorado River Basin, which is classified as an Urban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Desired Development Zone.

Zoning district impervious cover limits apply in the Urban Watershed classification.

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

This site is required to provide on-site water quality controls (or payment in lieu of) for all development and/or redevelopment when 8,000 s.f. cumulative is exceeded, and on site control for the two-year storm.

At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.

Site Plan

Site plans will be required for any new development other than single-family or duplex residential.

Any development which occurs in an SF-6 or less restrictive zoning district which is located 540 feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations.

Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

The site is subject to compatibility standards. Along the north and south interior property lines, the following standards apply:

- No structure may be built within 15 feet of these property lines.
- No structure in excess of two stories or 30 feet in height may be constructed within 50 feet of the property line.

Transportation

Additional right-of-way maybe required at the time of subdivision and/or site plan.

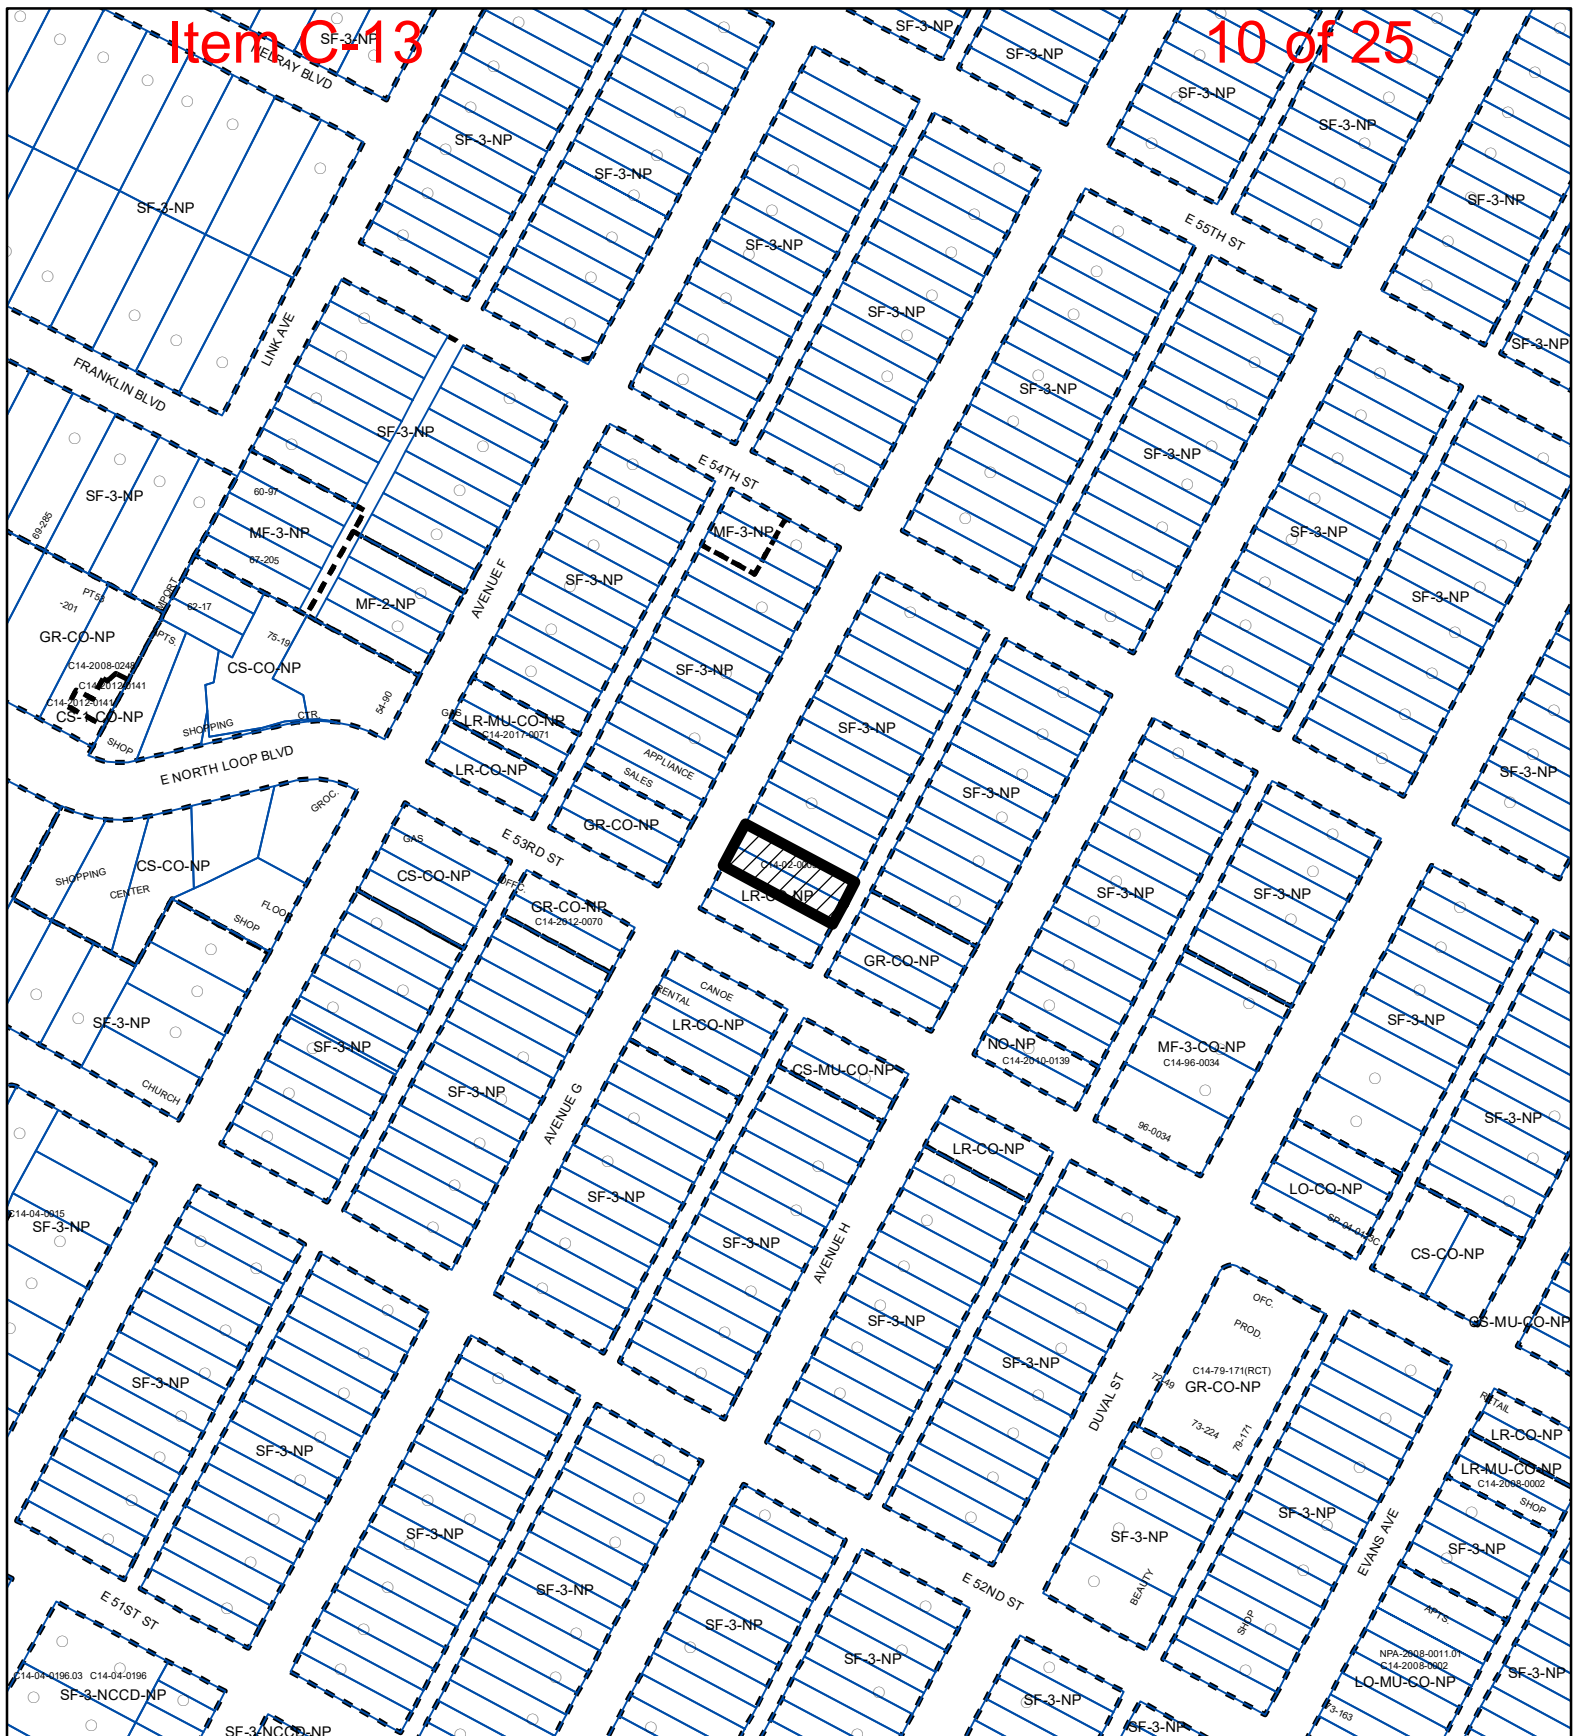

Austin Water Utility

The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water and wastewater utility plan must be reviewed and approved by Austin Water for compliance with City criteria and suitability for operation and maintenance. Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin. The landowner must pay the City inspection fee with the

utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

EXHIBIT B

EXHIBIT C

ORDINANCE NO. 020523-31

AN ORDINANCE REZONING AND CHANGING THE ZONING MAP TO ADD A NEIGHBORHOOD PLAN COMBINING DISTRICT TO THE BASE ZONING DISTRICTS ON APPROXIMATELY 614.97 ACRES OF LAND GENERALLY KNOWN AS THE NORTH LOOP NEIGHBORHOOD PLAN AREA ("NORTH LOOP") AND TO CHANGE THE BASE ZONING DISTRICTS ON 101 TRACTS OF LAND IN NORTH LOOP.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The zoning map established by Section 25-2-191 of the City Code is amended to add a neighborhood plan (NP) combining district to each base zoning district within the property and to change the base zoning districts on 101 tracts of land within the property described in File C14-02-0009, as follows:

Approximately 614.97 acres of land, in the City of Austin, Travis County, Texas, more particularly described and identified in the attached Exhibit "A", (the "Property"),

generally known as the North Loop Neighborhood Plan (NP) combining district, locally known as the property bounded by Koenig Lane on the north, IH-35 on the east, Lamar Boulevard on the west and 45th Street, Red River Street and 51st Street on the south, in the City of Austin, Travis County, Texas, and generally identified in the map attached as Exhibit "B".

PART 2. The base zoning districts for the 101 tracts of land are changed from family residence (SF-3) district, multifamily residence low density (MF-2) district, multifamily residence medium density (MF-3) district, limited office (LO) district, general office (GO) district, neighborhood commercial (LR) district, community commercial (GR) district, community commercial-conditional overly (GR-CO) combining district, general commercial services (CS) district, general commercial services-conditional overlay (CS-CO) combining district, commercial-liquor sales (CS-1) district, and commercial-liquor sales-conditional overlay (CS-1-CO) combining district to family residence-neighborhood plan (SF-3-NP) combining district, multifamily residence low density-neighborhood plan (MF-2-NP) combining district, multifamily residence medium density-neighborhood plan (MF-3-NP) combining district, multifamily residence moderate high density-conditional overlay-neighborhood plan (MF-4-CO-NP) combining district, neighborhood office-neighborhood plan (NO-NP) combining district, limited office-neighborhood plan (LO-

NP) combining district, limited office-mixed use-neighborhood plan (LO-MU-NP) combining district, limited office-conditional overlay-neighborhood plan (LO-CO-NP) combining district, limited office-mixed use-conditional overlay-neighborhood plan (LO-MU-CO-NP) combining district, general office-mixed use-conditional overlay-neighborhood plan (GO-MU-CO-NP) combining district, neighborhood commercial-conditional overlay neighborhood plan (LR-CO-NP) combining district, neighborhood commercial-mixed use-neighborhood plan (LR-MU-NP) combining district, neighborhood commercial-mixed use-conditional overlay-neighborhood plan (LR-MU-CO-NP) combining district, community commercial-mixed used-conditional overlay-neighborhood plan (GR-MU-CO-NP) combining district, community commercial-conditional overlay-neighborhood plan (GR-CO-NP) combining district, general commercial services-conditional overlay-neighborhood plan (CS-CO-NP) combining district, general commercial services-mixed use-conditional overlay-neighborhood plan (CS-MU-CO-NP) combining district, commercial-liquor sales-conditional overlay neighborhood plan (CS-1-CO-NP) combining district, and public-neighborhood plan (P-NP) combining district, as more particularly described and identified in the chart below.

PART 3. The following applies to an existing legal lot with single-family residential use within the boundaries of the NP combining district:

1. The minimum lot area is 2,500 square feet.
2. The minimum lot width is 25 feet.
3. For a lot with an area of 3,500 square feet or less, the impervious coverage may not exceed 65 percent.

PART 4. Secondary apartment special use is permitted on lots in residential districts within the boundaries of the NP combining district as set forth in Sections 25-2-1462 and 25-2-1463 of the Code

PART 5. Corner store special use is permitted on lots in residential districts within the boundaries of the NP combining district as set forth in Sections 25-2-1482 through 25-2-1485 of the Code.

PART 6. Tracts 2, 3, 4a, 4b, 4c, 5a, 5b, 9 through 22, 24, 25a, 25b, 26a, 26b, 26c, 27a, 27b, 28 through 35, 36a, 36b, 36c, 37, 38, 39a, 39b, 39c, 40, 41a, 41b, 42 through 49, 51 through 58, 59a, 59b, 60, 61, 66 through 69, 84, and 99 may be developed as a neighborhood mixed use building special use as set forth in Sections 25-2-1502 through 25-2-1504 of the Code:

PART 7. Tracts 1a, 1b, 1c, 11 through 22, 24, 25a and 25b may be developed as neighborhood urban center special use as set forth in Sections 25-2-1521 through Section 25-2-1524 of the Code.

PART 8. The Property within the boundaries of the conditional overlay combining district established by this ordinance is subject to the following conditions.

1. The following uses are conditional uses on Tracts 1a, 1b, 1c, 2, 3, 4a, 4b, 4c, 5a, 8, 9, and 10:

Adult oriented businesses
Automotive sales
Commercial blood plasma center
Convenience storage
Equipment sales
Vehicle storage

Agricultural sales and services
Campground
Construction sales and services
Equipment repair services
Kennels

2. The following uses are prohibited uses on Tracts 11 through 22, 23a, 23b, 23c, 23d, 24, 25a, 25b, 26a, 26c, 27a, 28, 29, 30, 32, 33, 34, 36b, 36c, 37, 38, 39a, 39c, 80a, 85, 86a, 86b, 86c, 86d, 87, 88a, 89b, 91, 92b, 93, 94, 95a, 95b, 96, 97, and 98:

Subject: Zoning for 5303 Avenue G

Follow Up Flag: Follow up
Flag Status: Flagged

Hello,

I'm Sebastian Wren with the North Loop Contact Team. I'm writing on behalf of the North Loop Contact Team (a.k.a. the North Loop Planning Team) in reference to Case Number C14-2019-0002.

Representatives of the property owner at 5303 Avenue G met with the North Loop Contact Team and discussed their plans for development for that property, and explained the reasons why they are seeking a zoning change for that property. At that meeting, which took place on February 13th, the voting members of the Contact Team in attendance voted unanimously to support the zoning change that the property owners are seeking. Furthermore, in discussion on the North Loop Discussion List, nobody who was not in attendance at the February 13 meeting objected to the zoning change proposed.

We feel this change in zoning is consistent with other properties located close to 53rd Street, and development under that zoning would be consistent with the ideals expressed in the North Loop Neighborhood Plan.

Thank you very much.

--

Sebastian Wren, Ph.D.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:
www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.
