

**COMMUNITY DEVELOPMENT COMMISSION
RECOMMENDATION 20190312-8A**

Date: March 12, 2019

Subject: Passive Houses

Motioned By: Commissioner McGhee

Seconded By: Commissioner Fadelu

Recommendation

The CDC recommended that the Austin City Manager:

-issue an RFQ for the conductance of the Passive House study as referenced in the Community Development Commission and Joint Sustainability Committee recommendations by the end of FY 2019;

- conduct all analyses, data gathering, and feasibility evaluations to incorporate review of the original Passivhaus standard, as well as the current PHIUS (Passive House Institute, U.S.) and any other Passivhaus standards.

Date of Approval: March 12, 2019

Vote: A motion to approve the recommendation was approved on Commissioner McGhee's motion, Commissioner Fadelu's second, on a 14-0 vote.

Absent: Commissioner Motwani

Against: None

Attest: *CDC Chair, Joe Deshotel*

A handwritten signature in blue ink, appearing to read "Joe Deshotel".
