C. Findings of Special Benefit

The City Council, acting in its legislative capacity based on information provided by the Owner and its engineer and reviewed by the City staff and by third-party consultants retained by the City, has found and determined:

1. Master Improvement Area

- a. The Actual Costs of the Master Improvements plus Bond Issuance Costs allocable to the Master Improvement Area equal \$32,636,865, as shown on **Exhibit E**; and
- b. The Master Improvement Area Assessed Parcels receive special benefit from the Master Improvements equal to or greater than the Actual Costs of the Master Improvements allocable to the Master Improvement Area; and
- c. The sum of the Master Improvement Area Assessments for all Master Improvement Area Assessed Parcels at the time the Master Improvement Area Assessments were levied equaled \$32,238,470, of which \$12,205,000 remains outstanding; and
- d. The special benefit (\geq \$32,636,865) received by Master Improvement Area Assessed Parcels from the Master Improvements is greater than the amount of the Master Improvement Area Assessments (\$32,238,470) levied against all Master Improvement Area Assessed Parcels; and
- e. At the time the City Council levied the Master Improvement Area Assessments, the Owner owned 100% of the Assessed Parcels within the District. The Owner acknowledged that the Master Improvements confer a special benefit on the Assessed Parcels within the District and consented to the imposition of the Master Improvement Area Assessments to pay for the Actual Costs associated therewith. The Owner ratified, confirmed, accepted, agreed to and approved: (1) the determinations and findings by the City Council as to the special benefits described herein and the Master Improvement Area Assessment Ordinance; and (2) the levying of Master Improvement Area Assessments on the Assessed Parcels within the District.

2. *Improvement Area #1*

- a. The Actual Costs of the Improvement Area #1 Projects plus the Bond Issuance Costs allocable to Improvement Area #1 equal \$9,141,504, as shown on **Exhibit E**; and

As shown on the Improvement Area #1 Bond Assessment Roll and Improvement Area #1 Reimbursement Assessment Roll shown on **Exhibit K** and **Exhibit N**, respectively, the Improvement Area #1 Assessments have been reduced and the sum of the reduced Improvement Area #1 Assessments for all Lots within Improvement Area #1 equals \$5,370,820; and
- d. The sum of the Master Improvement Area Assessments levied by the Master Improvement Area Assessment Ordinance on Parcels within Improvement Area #1 to pay for Master Improvements equaled \$1,746,687, of which \$0 will remain outstanding after the Prepayment and transfer of certain funds currently held pursuant to the terms of the indenture for the Master Improvement Area Bonds, as shown in **Exhibit S**; and
- e. Collectively, the total Assessments levied by the Improvement Area #1 Assessment Ordinance, as reduced by the Improvement Area #1 Bond Assessment Roll and the Improvement Area #1 Reimbursement Assessment Roll, and the Master Improvement Area Assessment Ordinance, on Improvement Area #1 Assessed Parcels equal \$7,117,507; and
- f. The special benefit (\geq \$9,141,504) received by Improvement Area #1 Assessed Parcels from the Improvement Area #1 Projects is equal to or greater than the amount of the Improvement Area #1 Assessments, as reduced by the Improvement Area #1 Bond Assessment Roll and the Improvement Area #1 Reimbursement Assessment Roll, and the Master Improvement Area Assessments (\$7,117,507) levied for the Improvement Area #1 Projects.

D. Annual Collection Costs

The costs of administering the District and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of outstanding Assessments remaining on the Parcels. The Annual Collection Costs shall be collected as part of and in the same manner as

Annual Installments in the amounts shown on the Assessment Roll, which may be revised based on Actual Costs incurred in Annual Service Plan Updates.

E. Additional Interest

The interest rate on Assessments levied on the Assessed Parcels, if such Assessments secure PID Bonds, may exceed the interest rate on the PID Bonds by the Additional Interest Rate. The Additional Interest shall be collected as part of each Annual Installment and deposited and used as described in the Indenture for the applicable series of PID Bonds. No Additional Interest will be charged on the Improvement Area #1 Reimbursement Assessed Parcels.

SECTION VI: TERMS OF THE ASSESSMENTS

A. Reallocation of Master Improvement Area Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Parcel (without the recording of a subdivision plat or creation of units by horizontal condominium regime), the Administrator shall reallocate the Assessment for the Assessed Parcel prior to the division among the newly divided Assessed Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Parcel

B = the Assessment for the Assessed Parcel prior to division

C = the assessable acreage of the newly divided Assessed Parcel

D = the sum of the assessable acreage for all of the newly divided Assessed Parcels

2. Upon Subdivision by a Recorded Subdivision Plat or creation of units by a horizontal condominium regime

Upon the subdivision of any Assessed Parcel based on a recorded subdivision plat or creation of units by horizontal condominium regime, the Administrator shall reallocate the Assessment for the Assessed Parcel prior to the subdivision among the newly subdivided Lots according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the assessable acreage of all newly subdivided Lots with same Lot Type

D = the sum of the assessable acreage for all of the newly subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

The calculation of the assessable acreage of a parcel shall be performed by the Administrator based on information from the Owner, homebuilders, appraisals, official public records of the County, and any other relevant information regarding the Parcel. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Parcels shall equal the Assessment for the Assessed Parcel prior to subdivision. The calculation shall be made separately for each newly divided Assessed Parcel. The reallocation of an Assessment for an Assessed Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2019 Amended and Restated Service and Assessment Plan approved by the City Council.

B. Reallocation of Improvement Area #1 Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Parcel (without the recording of a subdivision plat or creation of units by horizontal condominium regime), the Administrator shall reallocate the Assessment for the Assessed Parcel prior to the division among the newly divided Assessed Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Parcel

B = the Assessment for the Assessed Parcel prior to division

C = the estimated buildout value of the newly divided Assessed Parcel

D = the sum of the estimated buildout value for all of the newly divided Assessed Parcels

The calculation of the estimated buildout value of an Assessed Parcel shall be performed by the Administrator based on information from the Owner, homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Assessed Parcel. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Parcels shall equal the Assessment for the Assessed Parcel prior to subdivision. The calculation shall be made separately for each newly divided Assessed Parcel. The reallocation of an Assessment for an Assessed Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2019 Amended and Restated Service and Assessment Plan approved by the City Council.

2. Upon Subdivision by a Recorded Subdivision Plat or creation of units by a horizontal condominium regime

Upon the subdivision of any Assessed Parcel based on a recorded subdivision plat or creation of units by horizontal condominium regime, the Administrator shall reallocate the Assessment for the Assessed Parcel prior to the subdivision among the newly subdivided Lots based on buildout value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the estimated average buildout value of all newly subdivided Lots with same Lot Type

D = the sum of the estimated average buildout value for all of the newly subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat or creation of units by horizontal condominium regime, the Owner shall provide the City an estimated buildout value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact value. The calculation of the estimated average buildout value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Owner, homebuilders, third party consultants, and/or the official public records of the County regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Parcel subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Parcel. The reallocation of an

Assessment for an Assessed Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the next Annual Service Plan Update and approved by the City Council.

C. Upon Consolidation

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

D. Mandatory Prepayment of Assessments

If the Assessed Parcel is transferred to a person or entity that is exempt from payment of the Assessment, the owner transferring the Assessed Parcel shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the transfer. If the owner of the Assessed Parcel causes the Assessed Parcel to become Non-Benefited Property, the owner causing the change in status shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

E. Reduction of Assessments

If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments levied for such Authorized Improvements, the City Council shall reduce each Assessment related to such Authorized Improvements on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Parcels receiving benefit from the Authorized Improvements equals the reduced Actual Costs. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Rolls and corresponding Annual Installments to reflect the reduced Assessments.

F. Prepayment of Assessments

The owner of the Assessed Parcel may pay, at any time, all or any part of an Assessment in accordance with the Act. If an Annual Installment has been billed prior to this prepayment, the Annual Installment shall be due and payable and shall be credited against the prepayment.

If an Assessment is paid in full, with interest: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual

Installments shall terminate; and (4) the City shall provide the owner with a recordable "Notice of PID Assessment Termination."

If an Assessment is paid in part, with interest: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced.

1. Prepayments of Master Improvement Area Assessments

As of the date this 2019 Amended and Restated Service and Assessment Plan, \$567,166.60 in Prepayments for Master Improvement Area Assessments have been received, as shown on **Exhibit S**.

2. Prepayments of Improvement Area #1 Assessments

As of the date this 2019 Amended and Restated Service and Assessment Plan, no Prepayments have been received for Improvement Area #1 Assessments.

G. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

No less frequently than annually, the Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and updated calculations of Annual Installments. Annual Installments shall be reduced by any credits applied under the applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments for any Assessment other than the Improvement Area #1 Reimbursement Assessments claimed as homesteads shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the Act.

For any Assessed Parcels other than the Improvement Area #1 Reimbursement Assessed Parcels claimed as homesteads, the sale of an Assessed Parcel for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Assessment against the

Assessed Parcel, and the Assessed Parcel may again be sold at a judicial foreclosure sale if the landowner fails to timely pay the Annual Installments as they become due and payable.

To the extent allowed by the law, the City reserves the right to refund PID Bonds in accordance with the Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be delinquent if not paid prior to February 1 of the following year.

1. Estimated Annual Installments for Master Improvement Area Assessed Parcels

Exhibit I shows the projected Annual Installments of the Master Improvement Area Assessments, and **Exhibit J-1** through **Exhibit J-9** show the projected Annual Installment for every Master Improvement Area Assessed Parcel.

Exhibit O shows the projected Annual Installments for Improvement Area #1 Reimbursement Assessed Parcels, and **Exhibit P-1** through **Exhibit P-4** show the projected Annual Installment for Lot Type 4, Lot Type 5, Lot Type 6, and Lot Type 7.

SECTION VII: ASSESSMENT ROLL

The Master Improvement Area Assessment Roll is attached on **Exhibit H**, the Improvement Area #1 Bond Assessment Roll is attached on **Exhibit K**, and the Improvement Area #1 Reimbursement Assessment Roll is attached on **Exhibit N**. The Administrator shall prepare and submit to the City Council for review and approval, proposed revisions to the Assessment Rolls as well as the Annual Installments as part of each Annual Service Plan Update.

SECTION VIII: ADDITIONAL PROVISIONS**A. Calculation Errors**

To the extent consistent with the Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll, including the calculation of the Annual Installments, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval, to the extent permitted by the Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council for determination. Any amendments made to the Assessment Roll pursuant to calculation errors shall be made pursuant to the Act.

B. Amendments

Amendments to this 2019 Amended and Restated Service and Assessment Plan must be made by the City Council in accordance with Texas law, including the Act. To the extent permitted by the Act, this 2019 Amended and Restated Service and Assessment Plan may be amended without notice to owners of the Assessed Parcels: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this 2019 Amended and Restated Service and Assessment Plan.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this 2019 Amended and Restated Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this 2019 Amended and Restated Service and Assessment Plan. Interpretations of this 2019 Amended and Restated Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners or developers adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public hearing at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners and developers and their successors and assigns.

D. Severability

If any provision of this 2019 Amended and Restated Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.

E. Termination of Assessments

Each Assessment shall terminate on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After termination of an Assessment, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination."
