

## Recommendation for Action

**File #:** 19-1538, **Agenda Item #:** 29.

4/25/2019

### **Posting Language**

Authorize an amendment to an existing contract with Bode Cellmark Forensics, Inc., for continued forensic analysis of biological evidence, for an increase in the amount of \$703,500, and to extend the term by five years, for a total revised contract amount not to exceed \$2,003,500.

(Note: This contract is exempt from the City Code Chapter 2-9C Minority Owned and Women Owned Business Enterprise Procurement Program; therefore, no subcontracting goals were established).

### **Lead Department**

Purchasing Office.

### **Client Department(s)**

Austin Police Department.

### **Fiscal Note**

Funding in the amount of \$703,500 is available in the Fiscal Year 2018-2019 Operating Budget of the Austin Police Department.

### **Purchasing Language:**

Contract Amendment.

### **Prior Council Action:**

March 23, 2017 - Council approved the original contract, item 45, on a 9-0 vote with Council Members Casar and Garza off the dais.

### **For More Information:**

Inquiries should be directed to the City Manager's Agenda Office, at 512-974-2991 or [AgendaOffice@austintexas.gov](mailto:AgendaOffice@austintexas.gov) <<mailto:AgendaOffice@austintexas.gov>> or to Bridney Stewart, at 512-974-3127 or [Bridney.Stewart@austintexas.gov](mailto:Bridney.Stewart@austintexas.gov) <<mailto:Bridney.Stewart@austintexas.gov>>.

### **Additional Backup Information:**

The proposed amendment will allow for continued forensic analysis of biological evidence for cases of the Austin Police Department (APD) including forensic serology, screening, and/or deoxyribonucleic acid (DNA) analysis.

This contract is necessary due to the APD shut down of the DNA services unit. The interim solution for DNA services is being provided by the Department of Public Safety which is operated by Capital Area Laboratory (CAP Lab). CAP Lab does not have the capacity to meet the growing casework demands of the City. The outsourcing of DNA services is necessary to do the following:

- Provide timely response to DNA analysis requests which exceed the current capacity of the CAP Lab;

- Prevent accumulation of DNA backlogs;
- Reduce risk to chain of custody and integrity of evidence during transfer
- Maintain compliance with applicable laws to ensure that sexual assault kits (SAKs) are submitted within 30 days to accredited laboratories with the capacity to analyze them in a reasonable timeframe;
- Avail the City and its residents access to local rush DNA services to address acute public safety events

The current contract expires December 31, 2019, however, if the funding does not continue, the program will be unable to continue and APD risks recreating SAK backlogs. If this amendment is not approved, the City will experience a significant schedule delay for the processing of non-SAK evidence for DNA when the current contract expires. Furthermore, the City risks undermining the significant efforts made to eliminate and prevent SAK backlog as well as the backlog of other violent crimes (homicide, vehicular homicide, human trafficking, child abuse, robbery, etc.).

**Contract Detail:**

<b><u>Contract Term</u></b>	<b><u>Length of Term</u></b>	<b><u>Current Contract Authorization</u></b>	<b><u>Requested Additional Authorization</u></b>	<b><u>Revised Total Authorization</u></b>
Initial Term	3 yrs.	\$1,300,000		\$1,300,000
Proposed Amendment	5 yrs.		\$703,500	\$ 703,500
<b>TOTALS</b>	<b>8 yrs.</b>	<b>\$1,300,000</b>	<b>\$703,500</b>	<b>\$2,003,500</b>

**Note:** Contract Authorization amounts are based on the City's estimated annual usage.
