16. Amendments or change orders to this agreement shall be requested in writing by the Sponsor and submitted through the RGO system. **TPWD** will review and approve or disapprove amendments or change orders in concurrence with **FHWA**.
17. In the event the cost of construction is below the maximum amount authorized, the Sponsor may, at its discretion, include additional improvements or appurtenances on each designated site as long as the Project total cost figures are not exceeded; provided, however, such improvements or appurtenances are first approved in writing by **TPWD** and **FHWA**.

22. **TPWD** may terminate the Project in whole, or in part, at any time before the date of completion, whenever it is determined that the **Sponsor** has failed to comply with the conditions of the grant. **TPWD** will promptly notify the **Sponsor** in writing of the determination and the reasons for termination, together with the effective date. Payments made to the **Sponsor** or recoveries by **TPWD** under projects terminated for cause shall be handled in accord with the legal rights and liabilities of the parties.
23. **TPWD** or **Sponsor** may terminate the Agreement in whole, or in part, at any time before the date of completion, when both parties agree that the continuation of the Project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portions to be terminated. The **Sponsor** shall not

incur new obligations for the terminated portion after the effective date, and shall cancel as many outstanding obligations as possible. **TPWD** may allow full credit to the **Sponsor** for the State share of the non-cancelable obligations, property incurred by the **Sponsor**, pending written receipt detailing the reasons and effective date of termination. Payments made to the **Sponsor** or recoveries by **TPWD** under projects terminated for cause shall be handled in accord with the legal rights and liabilities of the parties.

24. Termination either for cause or for convenience requires that the project in question be brought to a state of recreational usefulness agreed upon by the **Sponsor** and **TPWD**, or that all funds provided by **TPWD** be returned.
25. This Agreement is subject to cancellation, without penalty, either in whole or in part, if funds are not appropriated by the Texas Legislature, or otherwise made available, to the **TPWD**.
26. **Sponsor** must disclose, in a timely manner and, in writing to **TPWD** all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting this Agreement. Failure to make required disclosures can result in any of the remedies described in § 2 CFR 200.338 Remedies for noncompliance, including suspension or debarment.
