

Amendment 12

Question 3. Missing Middle Housing Types.

- C. Reduced site development standards as appropriate for missing middle housing options such as duplexes, multiplexes, townhomes, cooperatives and cottage courts in order to facilitate development of additional units. Council will need to determine the appropriate criteria to achieve more affordable housing while furthering the goals of the Imagine Austin Comprehensive Plan, in addition to protecting environment and sustainability, and addressing public safety, transportation, utility and right of way needs.
