

**Amendment Sheet 1**

**Amendment 1:**

The City Manager is directed to include an analysis of transportation electrification and action planning in the next update to the City of Austin Community Climate Plan, including:

1. an analysis of scenarios for different EV adoption trends that identify the associated actions and their feasibility in meeting the Austin Community Climate Plan goals;
2. identification of the reasonableness of establishing intermediate greenhouse gas emissions targets to net-zero greenhouse gas emissions from transportation;
3. the Austin Strategic Mobility Plan climate policy and mode shift goals;
4. an action plan:

**Amendment 2:**

The City Manager shall further work to include, as part of Austin Energy's regular reporting to the Utility Oversight Committee, annual updates on the status and progress of Austin Energy's transportation electrification programs, including the public EV charging network, fleet electrification, EV building codes, rebates for EV programs, outreach, ~~efforts~~ new plans and strategies to reach multifamily and low-income households, and electrifying new mobility services.
