RE: Met Campus PDA
C14-2015-0062.01; 2900, 3000 and 3024 US Highway 183 South

Dear Honorable Chair Kazi and Planning Commissioners,

The Southeast Combined Neighborhood Plan Contact Team (SCNPCT) met during its regularly scheduled monthly meeting on Monday, May 13, 2019, and was provided a presentation by Mr. Ron Thrower, Agent, Thrower Design, regarding the proposed development for zoning case C14-2015-0062.01. After a motion and second, the SCNPCT voted to support the staff's recommendation on the zoning change.

We appreciate the applicant meeting with the Contact Team membership to discuss and answer our questions. Please let me know if you should have any questions. Thank you for your time and consideration.

Respectfully submitted,

Ana Aguirre, Chair
Southeast Combined Neighborhood Plan Contact Team
