Inquiries should be directed to the City Manager's Agenda Office, at 512-974-2991 or AgendaOffice@austintexas.gov <<mailto:AgendaOffice@austintexas.gov>> or to Sandy Wirtanen, at 512-974-7711 or Sandy.Wirtanen@austintexas.gov <<mailto:Sandy.Wirtanen@austintexas.gov>>.

Council Committee, Boards and Commission Action:

June 4, 2019 - Recommended by the Zero Waste Advisory Commission on an 8-0 vote.
June 12, 2019 - To be reviewed by the Water and Wastewater Commission.

Additional Backup Information:

The current contract provides packaging, transportation, and disposal of household hazardous waste collected at Austin Resource Recovery's (ARR) Household Hazardous Waste Collection Facility and provides hazardous waste services for ARR, Austin Convention Center, Austin Water, and Aviation. These items include but are not limited to herbicides, pesticides, paints, fertilizers, cleaning products, pool chemicals, and

flammable liquids, such as gasoline, thinner, and stains. The contractor performs all work in accordance with the Texas Commission on Environmental Quality, Title 30 of the Texas Administrative Code, Chapter 330 Solid Waste Management regulations and the latest Code of Federal Regulations concerning household hazardous waste. All disposal sites utilized by the contractor are licensed by the U.S. Environmental Protection Agency and/or the Texas Commission on Environmental Quality or respective state.

The current contract expires on August 27, 2019. A solicitation to obtain a replacement contract is currently in development and its publication is expected this summer. This proposed amendment requesting additional authorization is necessary to continue services while awaiting the award of a new contract.

ARR does not have the resources necessary to perform these services. Due to the hazardous nature of these services, which includes the packaging, transportation, and disposal of herbicides, pesticides, paints, fertilizers, cleaning products, pool chemicals, and flammable liquids such as gasoline, thinner, and stains, if the proposed amendment is not secured, and service discontinues, there is a hazard and risk to public safety and health.
