WHEREAS, the expenditures for the Project will exceed \$50,000; and

WHEREAS, Subchapter G of Chapter 2269, Government Code, “Building the Design-Build Method,” describes the design-build method authorized by subchapter as a project delivery method by which a governmental entity contracts with a single entity to provide both design and construction services for construction, rehabilitation, alteration, or repair of a facility that is a building or related structure (Design-Build for Buildings); and

Page 1 of 2

24 **WHEREAS**, in relation to the Project specifics and requirements, staff has
25 considered the methods described in Chapter 2269 and reviewed the procedures
26 described in Chapter 252; and

27 **WHEREAS**, with respect to the Project and the expenditures necessary to
28 complete it, staff recommends use of the design-build method for buildings
29 authorized by Subchapter G, Chapter 2269, Government Code (Design-Build for
30 Buildings) as the project delivery method that provides the best value for the City;
31 **NOW, THEREFORE,**

32 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:**

33 The City Council finds that with respect to expenditures necessary for the
34 project to upgrade the ABIA Terminal Baggage Handling System, the design-build
35 method described by Subchapter G, Chapter 2269, Government Code (Design-
36 Build for Buildings) provides the best value for the City.
