### **Additional Backup Information:**

The Violet Crown Trail is part of a proposed 30-mile trail system running from Zilker Park and to Hays County. The South portion of the trail is just under one mile in length and opened in the fall of 2018. This portion begins at the Hampton Branch Public Library, crosses under Mopac Expressway, and extends to Convict Hill Road at Brush Country Road.

The North portion includes a one-mile multi-use trail from Home Depot Boulevard to Mopac Expressway and will provide increased walking and biking improvements. This project will connect to the existing Barton Corridor Trail, other park hike and bike trails, and the new Violet Crown Trail South via sidewalk connections.

The total cost of construction is approximately \$1,471,250. CAMPO has awarded the project federal funding in the amount of \$1,177,000 for construction of the trail. The City is providing a local match in the amount of \$294,250 which is available in the Fiscal Year 2018-2019 Capital Budget of the Public Works Department. Final grant and local match funding amounts are dependent upon actual costs of this project.

The purpose of this item before Council is to authorize negotiation and execution of an Advance Funding Agreement and to accept funds necessary to complete construction of the Violet Crown Trail North.
