NAME: MR. Anon Y Mao

TIME:

RECEIVED MAY 13 2019

DATE: 5/13/19

TIME: 7:03 - 7:19 AM

BUS #: 2501

Route: 335 - Westbound

Location: 38th + Red River to Casis Elementary

Operator ID#: 600747

Block #: 002

Obese Black female driver who looks + acts like a controlling butch lesbian, acted unprofessionally, discourteously, disrespectfully, ass-backwards + wrong, violating CAP METRO policy + procedure, Austin Transportation Code 13-2-132, + Texas law.

Specifically when Non-Black Male Passenger with luggage was boarding at 38th + Red River, Operator ID# 600747 immediately verbally attacked ~~me~~ HIM, repeatedly asking

(1 of 14)

HIM if he needed the ramp to board, which was unprofessional, disartepus, disrespectful ass-backwards, + wrong because!

1) it was unnecessary, uninvited, + unwelcome;

2) it was an attempt to insult + put down Non-Black Male Passenger with luggage, who is healthy, young + strong who needs no ramp to board;

3) it was an attempt to control how Non-Black Male Passenger with luggage would board;

4) it was an attempt to ~~make~~ make Non-Black Male Passenger with luggage answer her unnecessary question to make HIM ~~to~~ accommodate

(2 of 14)

+ serve her, though it's she
who is legally bound to
answer HIS necessary
professional questions to wait on,
accommodate, + serve HIM
because ~~she~~ she's a public
Servant per Texas Penal Code
1.07(a)(4)(A), meaning she
is legally bound to serve
HIM professionally + courteously,
per Austin Transportation
Code 13-2-132;

5) Therefore Operator ID# 600747
tried flipping the true legal
power relation of Non-Black
Male Passenger with luggage
Over Operator ID# 600747;

6) Therefore Operator ID# 600747
tried testing Non-Black Male
passenger with luggage though
it's Non-Black Male Passenger
with luggage who tests
drivers - the Operator
ID# 600747.

(3 of 14)

Therefore, to defeat Operator ID #600747's verbal, psychological, + spiritual attack, Non-Black Male Passenger with luggage did not answer, respond to, or acknowledge her question.

So, because Operator ID#600747 couldn't handle losing the battle she initiated, she wrongly retaliated, repeatedly telling Non-Black Male Passenger with luggage to "go sit down," trying to order him to do what she wanted, when she wanted, before HE had demonstrated evidence of fare payment.

Therefore Operator ID#600747's retaliatory attack was unprofessional, discourteous, disrespectful, 'ass-backwards', + wrong, because:

(4 of 14)

- 1) it was unnecessary,
uninvited, & unwelcome;
- 2) it was rude, disrespectful,
& insulting;
- 3) it was an attempt to make
non-Black Male Passenger
with luggage do what
she wanted out of order
because first a Passenger
shows evidence of fare
payment then ~~HE~~ ~~she~~
goes behind the white/
yellow line to ride the
bus;

(5 of 14)

- 4) it was an attempt to
bully ~~them~~ to make ~~them~~
accommodate & serve her,
though it's she who is
legally bound to wait on,
accommodate & serve
~~them~~ because she's a
public servant per Texas

Penal Code 1.07(a)(4)(A);

5) Therefore she tried making
~~HTM~~ follow her mislead,
though it's she who is
legally bound to follow HIS
lead because HE'S the
~~Passer~~ member of the public
she serves...

* - Also, HE'S the MAN, not her.
US MEN lead, not women. *

6) Therefore Operator ID#600747
tried, again, to flip the true
legal power relation ~~by~~ of
HTM over her;

7) Therefore Operator ID#600747
tried, again, testing
Max-Black Male Passenger
with luggage, though it's
HE who tests her.

(6 & 14)

Therefore, Non-Black Male
passenger with luggage
defeated her retaliatory attack
by not going to sit down.

Instead, HE stayed at the
front of the bus, calmly +
slowly getting out HIS
valid fare card + successfully
swiping it through the top of
the farebox machine reader.

~~They~~ Also while standing at the
front of the bus HE
clearly + directly reminded
her that she is a public
servant per Texas Penal
Code 1.07(a)(4)(A), meaning
she serves HIM, ~~not~~ +
all the other passengers,
not the other way
around.

Then HE took HIS gear +
stood behind the white/
yellow line at the front of

(7 of 14)

the bus by the front seats
on the door side of the bus.

Then HE told the other
passengers NOT to be bullied
by Operator ID# 600747.

Non-Black Male Passenger with
luggage NEVER ~~sat~~ sat down,
rejecting + disobeying
Operator ID# 600747's
bullshit order, denying

Operator ID# 600747 any
control over ~~him~~ to
retake control of the
confrontation she initiated
+ reestablish his rightful
natural position of dominance
over her.

After that Operator ID# 600747
wisely stopped talking to
Non-Black Male Passenger with
luggage.

↓

(8 of 14)

However, Operator ID#600747
intentionally screwed up again
by again doing the exact
opposite what she was
supposed to do by not
stopping Bus # 2501
at the bus stop signage at
Casis Elementary. Like she's
supposed to, but 40 feet
past the signage to put the
nose of the bus next to
the exit driveway at Casis
Elementary to block exiting
parents' cars from seeing
the cross traffic on
Exposition heading
Southbound.

(9 of 14)

Therefore, Operator ID#600747
intentionally created a safety
hazard for the public
she is legally bound to
serve by intentionally
not serving the public by
not accommodating the
public by not following

GAP METRO policy + procedure.
Therefore, when Non-Black Male
passenger with luggage exited
BUS # 2501 at Casis
Elementary through the front
door Non-Black Male
passenger with luggage told
Operator ID # 600747 she
stopped ~~at~~ at the wrong
place + that the stop
was "back there."

Yet again, unable to handle the
truth + being called at on
her ass-backwards, negative
bullshit, Operator ID # 600747
tried telling them to have all
their bags, trying to put them
down, control them +
talk about their personal
private property that has
nothing to do with her
job, which she shouldn't
↓

So, Non-Black Male Passenger
with luggage defeated her
unprofessional personal attack
by immediately telling her
not to talk about THIS
gear because THIS
private property is not
her business.

* Pull video ASAP *

Immediately place this complaint
in Operator ID# 600747's

Because Operator ID# 600747

to gaslight + dominate them
by trying to overwrite this
healthy, sane, STRAIGHT MASculine
Constitutional right-side up
reality with her sick,
insane, feminist, sharia,
upside-down ass-backwards
anti-reality nightmare from hell,

immediately forward this complaint

to (A) METRO personnel in

though CAP METRO's Code of

Houston, TX 77042

Re: ~~Re~~ Deceptive business tactic at
Store 2477 at 3300 Bee
Caves Rd. Austin, TX

Recently, Randall's again started
wrongly charging tax on ice
cream purchases that are
exempt from taxes, per the
Texas tax code, Title 2,
Subtitle E, Chapter 151,
Subchapter A, Section 151.314.

Section 151.314(a) says "food
products for human consumption
are exempted from the taxes
imposed by this chapter."

Section 151.314(b) says "food
products" includes ice cream &

(1 of 7)

snack items.

Section 151.314 (b-1)(7) says
"snack items" means ice
cream.

Texas law is clear.

Apparently, Randall's has either
~~misinterpreted~~ ignored
Section 151.314 parts (a), (b), +
(b-1)(7) and/or misinterpreted
and/or misapplied Section
151.314 (c-2)(1) + Section
151.314 (c-4).

Section 151.314 (c-2)(1) + (c-4)
clearly explain that ice cream
is not exempt from sales tax
only if it's "served,
prepared, or sold ready for
immediate consumption by
restaurants, lunch counters,
cafeterias, delis, vending
machines, hotels or like
places of business or sold

(2047)

ready for immediate consumption from pushcarts, motor vehicles, or any other form of vehicle."

Though Randall's does have a deli, "for purposes of Subdivision C(2)(1), if a grocery store or convenience store contains a type of location listed in that subdivision, the store is considered a like place of business for purposes of that subdivision, but only in relation to items sold at that location."

(3 of 7)

Therefore, because the pint of ice cream I purchased ~~did not~~ was not sold by the deli within Randall's, it is exempt from sales tax.

In fact, I picked up the pint of ice cream from the store's

ice cream freezer + purchased
it at one of the checkstands
at the front of the store.

Therefore, Randall's appears to be
guilty of a deceptive trade practice,

per Texas's Business + Commerce
Code, Title 2 Competition + Trade
Practice, Ch. 17 - Deceptive Trade
Practice, Subchapter E. - Deceptive
Trade Practices + Consumer Protection,
Section 17.46 (a) - Deceptive Trade
Practices Unlawful, which says that
false, misleading, or deceptive acts
or practices in the conduct of
any commerce are hereby declared
unlawful and subject to action by
the consumer protection division.

(4 & 7)

And, obviously, Randall's appears
guilty of large-scale systematic
theft from its customers
because this is happening at
all Randall's stores because
it's the checkstand computer

software that has been misprogrammed
to wrongly tax pints of ice cream
sold out of the ice cream freezer
that is not part of or near the
deli.

Therefore, correctly reprogram
your checkstand computer software
to not tax ice cream purchases,
effective immediately, or expect
these crimes to be called out
publicly on social & mainstream
media, as well as the Better
Business Bureau & the Consumer
Protection Division.

See attached copies of my receipt
& controlling Texas law.

(b-1) For purposes of this section, "snack items" means:

Re: Alleged lying + retaliation
by assistant manager
Michelle against me for
following Texas law at
Store 2477 at 3300
Bee Caves Road, Austin, TX.

(1 of 8)
At approximately 5:00 pm on
5/19/19, assistant manager
Michelle, approached me at my
food/work table in the customer
eating area by the fireplace and
told me that I shouldn't be
there because I had previously
been told not to return to
Store 2477.

However, I have never been told →

not to return to store 2477
because I am a regular
customer who peacefully
spends money at store 2477
and quietly does paperwork
& reading in the customer
eating / working area, just like
other customers, who often
are teachers doing paid
workshop sessions there for
hours at a time.

Therefore, I immediately told
Michelle that I have never
been asked or told not to return
to store 2477. Then I asked
her who gave her that false
information.

However, Michelle did not answer
my question. Instead, she appeared
to be "calling someone" on her
iphone-like device to "verify"
the false information she
was trying to push →

(2 of 2)

On me + treat as true, though
it was not.

So to cut + counter her lie,
I immediately told her I was
going to speak with her boss,
store manager Donny Frost.

Because I had just had a positive
in-person interaction with Mr.
Frost about 20 minutes before,
when I handed him some
expired energy bars that the store
was trying to sell on clearance
that could not be sold anymore
which Frost rightly + promptly
removed, I expected to defeat
Michelle's lie ASAP, before she
tried spreading it any further
and/or tried gaslighting Frost
like she was trying to gaslight
me.

So, I walked to the customer
service desk with assistant
manager Michelle + told Sydney M.

(3
of
8)

that I needed to speak with
Store Manager Frost ASAP.

Sydney told me Frost would be at
the customer service desk in
3-5 minutes.

So, about 5 minutes later, Mr.
Frost + I spoke near the
customer service desk.

I told Frost the false
information assistant manager
Michelle told me + asked
him from whom did she
get that false information.

Frost said he had not yet
had the time to investigate
Michelle's false claim, but
that he would do so.

He also told me that he'd been
Store manager at Store 2477
since January + that
anything that happened before

(4 of 8)

then was before he got there +
that as far as he was concerned,
I was welcome at Store 2477,
which was right + correct.

So I thanked him for his wisdom
+ told him I respectfully do
my work in that customer
area, just like everyone else,
+ that I would not be
discriminated against for
doing nothing wrong.

I also respectfully told Frost
that it appeared assistant
manager Michelle had
intentionally lied to try
usurping his power to
wrongly ban me from Store
2477 as apparent retaliation
against me for earlier that
afternoon (about 1:00 pm
or so) approaching ~~at~~
Ms. Sydney M. at the
customer service desk +
respectfully showing her I

(5 + 8)

had been wrongly overcharged
\$0.25 on my pint of ice
cream purchase because of
sales tax that should not
have been charged, per Texas
Tax Code, Title 2, Subtitle E,
Chapter 151, Subchapter A,
Section 151.314 parts (a), (b),
(b-1)(7), (c-2)(1), & (c-4), which
I showed Sydney in writing
from the official Texas statutes
website & allowed her to
make a copy of for the store's
& corporate's records.

Since Ms. Sydney M. refunded
me the \$0.25, I figured
that was the end of it.

Therefore, though Ms. Sydney
did no wrong, you should
also investigate what
part, if any, Ms. Sydney
had in creating and/or
pushing Michelle's lie.

(6 of 8)

Still, the primary investigation
& punishment should be of
assistant manager Michelle,
who initiated the lie against
me to try gaslighting me.

Like Crooked Hillary, assistant
manager Michelle cannot be
trusted.

Like lesbian Rachel Maddow (MSNBC),
Michelle seems to believe that
she can push a lie to become truth,
like how Maddow spent ~~over~~ over
two years pushing the lie that
Pres. Trump colluded with
Russia, though the Mueller
report clearly concluded that
there was no collusion which
Pres. Trump consistently told
us from the very beginning.

Therefore, I respectfully recommend
you FIRE lying assistant
manager Michelle & replace her
with an honest straight man

(7
of
8)

who treats all customers right.

NOTE 1 - My complaint about the deceptive trade practice of charging sales tax on ice cream purchases that are exempt from sales tax is included in this same mailed envelope.

NOTE 2 - When I spend a few hours at Randall's doing my ~~own~~ paperwork peacefully & silently, I make more than one purchase to keep feeding & hydrating myself as I get my work done.

ass-backwards, & wrong,
violating CAP METRO policy &
procedure / Austin Transportation

Code 13-2-132, & Texas
penal code 1.07(a)(4)(A).

Specifically, when Non-Black
Male Passenger with luggage
was exiting Bus # 2509
at Spicewood Springs @ 183
through the front door, Operator
ID # 600099 immediately
got at of his driver's
seat to try obstructing/
blocking STRAIGHT Non-Black
Male Passenger with luggage
exiting the bus to either
cause STRAIGHT Non-Black

(2 of 10)

Male Passenger with luggage
to delay HIS exiting to make
STRAIGHT Non-Black Male
Passenger with luggage wait
on Operator ID # 600099

OR make STRAIGHT Non-Black
Male Passenger with luggage
rub up against Operator
ID # 600099's ass as

~~HE~~ exited the bus to ~~sexually~~
homosexually turn on Operator
ID # 600099, which is even
more wrong + sick, as well
as ~~allow~~ allow Operator
ID # 600099 to falsely
claim he was assaulted
by exiting STRAIGHT Non-Black
Male Passenger with
luggage, though it was
Operator ID # 600099 who
intentionally placed himself
in the wrong place at the
wrong time to try initiating
physical contact.

Though Operator ID #600099
will likely claim he was
just trying to adjust a mirror
or turn ~~on~~ on the
inside bus camera he
knows he could + should have
waited to do that after

STRAIGHT Non-Black Male
Passenger with luggage
exited Bus #2509 to
wait on, accommodate +
serve STRAIGHT Non-Black
Male Passenger with luggage,
which Operator ID #600099
is legally bound to do because
Operator ID #600099 is a
public servant per Texas Penal
Code 1.07(a)(4)(A), meaning
he is legally bound to professionally
+ courteously serve STRAIGHT
Non-Black Male Passenger
with luggage, not the other
way around.

Again, like usual, Operator ID #600099

(4 of 10)

initiated passive-aggressive
homosexual harassment
psych warfare tactics of power
& control against STRAIGHT
non-Black Male Passenger
with luggage.

Therefore to defeat Operator
ID # 600099's ~~is~~ sicko

psychotic controlling

ass-backwards bullshit

psychological & spiritual attack,

STRAIGHT non-Black Male
Passenger with luggage did not
delay HIS exiting through the
front door or make ~~contact~~

physical contact with Operator
ID # 600099. Instead, →

STRAIGHT, Non-Black Male Passenger
with luggage verbally warned
Operator ID # 600099, telling
him, "going behind you,"

Then exiting through the front
door behind Operator

ID # 600099, who was
intentionally standing in the
wrong place at the wrong
