NAME: MR. Anon Y
DATE: 5/9/19 ^{MOVS}
TIME:

DATE: 5/6/19
TIME: 11:13 - 12:26 PM
Bus #: 5063
Rate: PO3 - Northbound
Location: 8th + Lavaca to 31st Street
Operator ID#: 600348
Block #: 016

* FIRE Operator
ID# 600348
immediately +
Permanently *

Obese Black female driver Operator
ID # 600348, acted unprofessionally,
discourteously, disrespectfully,
ass-backwards, + wrong,
violating CAP METRO policy +
procedure, Austin Transportation
Code 13-2-132, + Texas/U.S.
Constitutional law.

(1 of 27)

Specifically, when Non-Black Male
Passenger with luggage boarded
Bus # 5063 at 8th + Lavaca
at approximately 11:13 - 11:22 AM,
HE immediately realized the
bus cabin was way too warm
+ humid to safely + healthily

ride the bus. So, after putting HIS gear down, HE immediately walked up to Operator ID # 600340, while the bus was still safely stopped at the RAPID station at 0th + Lavara, & directly told her that because the bus' cabin way way too warm for Passengers, she needed to immediately turn on the air conditioning, which was not on at that time; In fact, there was no ~~air~~ air blowing through or circulating through the bus by fan at all at that time.

(2 of 27)
Therefore Non-Black Male Passenger with luggage immediately & respectfully informed Operator ID # 600340 of the serious health & safety hazard happening on the bus & told her how to immediately remedy the situation.

However, instead of rightly
addressing the ~~health~~ health
& safety problem that she
created Operator ID# 600348
wrongly did NOT correct the
problem she caused, by NOT
turning on the air conditioning
to continue intentionally maintaining
the health & safety hazard she
created to intentionally try
making HUMAN MALE
PASSENGERS accommodate her
~~reptilian~~ cold-blooded
reptilian being, alien to
HUMANITY, to intentionally try
~~controlling~~ controlling & bullying
them environmentally to hurt
and or sicken them, instead of
help & serve them.

(3 of 27)

Therefore, Operator ID# 600348
intentionally did the exact
opposite of what she is
legally bound to do because
Operator ID# 600348 IS →

legally bound to wait on, accommodate,
& serve all passengers
professionally & courteously, per
Texas Penal Code 1.07(a)(4)(A)
& Austin Transportation Code
13-2-132, because Operator
JD # 600348 like all drivers
is a public servant while on duty.

Therefore, after Operator JD# 600348
did not turn on the air
conditioning to not cool down,
~~or~~ accommodate, or serve
the warm-blooded HUMAN MALE
PASSENGERS on board,
NON-Black Male Passenger with
luggage asked a couple of HIS
fellow MALE PASSENGERS if
they were sweltering as well,
and they ~~also~~ told HIM that
it was too warm inside the
bus, too.

(4 of 27)

Therefore, because the health
& safety hazard that Operator

ID # 600348 (created + continued
required immediate attention
& remedy, non-Black Male
Passenger with luggage loudly
told her from HIS seat by
the rear doors that if she did
not immediately turn on the
air conditioning, she'd be
written up. HE said this to her
while the bus was moving at
approximately 10th or 11th +
Lavaca, only after she ignored
HIS respectful communication at
the front of the bus, to
intentionally deny HIM + HIS
fellow HUMAN MALE PASSENGERS
the cooler air the HUMAN MEN
needed to safely + healthily
travel by bus to their destination
stops to not accommodate or
serve them to intentionally
violate CAP METRO policy +
procedure + break the law.

(5
of
27)

However, even then, Operator

ID # 600348 did not turn on the air conditioning. ~~Instead, she~~
~~wrongly~~

↳ Instead, she wrongly asked Non-Black male passenger with luggage, "Who's gonna write me up?, You?"

Operator ID # 600348's questions were unprofessional, discourteous, disrespectful, ass-backwards, & wrong because:

1) They were unnecessary, uninvited, & unwelcome;

2) who writes her up is not her business;

3) Therefore, whether or not Non-Black male passenger with luggage writes her up is not her business;

(6 of 27)

4) Therefore Operator ID# 600348 tried making Non-Black Male Passenger with luggage answer her unprofessional irrelevant question to accommodate + serve her, though it's she who is legally bound to answer HIS professional relevant questions to accommodate + serve HIM because she's a public servant, per Texas Penal Code 1.07 (9) (411(A));

5) Therefore Operator ID# 600348 tried flipping the true legal power relation of HIM over her though (AP METRO's own self-organization chart rightly shows Passengers on top (Transit Community) + drivers on bottom (Transportation Companies));

6) Therefore, Operator ID# 600348 tried testing Non-Black Male →

(7 of 27)

Passenger with luggage though
it's non-Black Male Passenger
with luggage who tests drivers
like Operator ID # 600348.

Therefore, to defeat Operator
ID # 600348's verbal
psychological & spiritual attack
against HMM, non-Black
Male Passenger with luggage
did NOT answer her question;
Instead HE told her she'd be
written up & reminded her
that she's a public servant
per Texas Penal Code 1.07
(a)(41)(A), meaning she
serves passengers, not the
other way around.

8

7

6

Only after hearing that did
Operator ID # 600348 then
turn on the air conditioning
for the HUMAN MALE
PASSENGERS.

↓

Still, understand that the back and forth exchange between Non-Black Male Passenger with luggage and Operator JD# 600340 was loud + combative only after Operator JD# 600340 ignored Non-Black Male Passenger with luggage's normal-voiced, respectful, directive, which broke the law because she's a public servant per Texas Penal Code 1.07(a)(4)(A).

Therefore, Operator JD# 600340's mindset is ass-backwards + wrong because she did not respond positively to being treated professionally + respectfully, but did respond positively to being ~~scolded~~ punished + yelled at, meaning Operator JD# 600340 thinks + acts like a child.

In fact, as soon as she ~~turned~~ turned the air conditioning on,

(9 of 27)

Operator JD # 600348 then called
dispatch to complain how
non-Black Male Passenger with
luggage treated her, meaning
Operator JD # 600348 tried
crybullying non-Black Male
Passenger with luggage, just
like a little girl, though that's
what HE, a MAN, needed
to do to make her do the job
she should have done right
without HIM having to ~~even~~
say anything to her, because
she knows she's supposed to
be keeping the Passenger cabin
cool, especially on a hot, humid
day.

(110 of 27)

At the very least she should
have turned on the air
conditioning as soon as HE
~~mediated~~ told her to do so,
~~any~~ if she somehow ~~did~~
~~she~~ had forgotten to turn it
on ~~at~~ or did not realize

how hot & humid the Passenger Cabin was.

Then all was calm until Operator ID # 600348 wrongly stopped Bus # 5063 at the RAPTID Station at 31st & Guadalupe (by Wheatsville) to stop running the rate that she's paid to drive. Operator ID # 600348 stopped Bus # 5063 at 11:32 AM!

Bus # 5063 stayed there until an older white female Supervisor from MV driving METRO Operator's vehicle 10008 arrived on scene at about 11:39 AM.

The white female supervisor approached non-Black Male Passenger with luggage, telling HIM to get off the bus to talk to her.

↓

(11 & 27)

However, Non-Black Male Passenger with luggage rightly refused to exit the bus at white female Supervisor's order because HE has the natural law + civil right to ride that or any bus that is public transportation.

PLUS, white female Supervisor does not tell HIM what to do because she, like Operator ID #600348, is a public servant who is legally bound to follow HIS lead + do what HE says; HE does not follow her, mislead to allow her to violate or take away HIS natural law + civil rights.

(12 of 27)

So, then, white female supervisor tried ~~to~~ wrongly blaming Non-Black Male Passenger with luggage for what happened, accusing HIM of

causing problems for drivers
even asking ~~him~~ "Do you
see a pattern here?"

Therefore white female Supervisor's
opinion + question were
unprofessional, discourteous,
disrespectful, ass-backwards, +
wrong because:

- 1) they were unnecessary,
uninvited, + unwelcome;
- 2) they were focused on ~~him~~
instead of the drivers
who cause the problems;
- 3) They were intended to blindly
back the driver, who was
wrong;
- 4) white female Supervisor tried
making non-Black male
passenger with luggage
answer her unprofessional,
irrelevant question to make

(13
of 27)

HTM accommodate & serve her though it's she, a public servant, who is legally bound to answer HTS professional, relevant questions to accommodate & serve HTM;

5) Therefore, white female supervisor tried making HTM follow her mislead to flip the true, legal power relation of HTM over her, because it's she who is legally bound to follow HTS lead;

6) Therefore, white female supervisor tried testing non-Black male passenger with luggage though it's non-Black male passenger with luggage who tests white female supervisor.

Therefore, to defeat white female supervisor's verbal, psychological, & spiritual attack

(14 of 27)

against HIM, HE did not answer her question or accept any blame for what Operator ID# 600348 + other drivers have done.

Instead, HE told white female Supervisor that the problem pattern exists with the drivers who initiate + cause the problems by not following CAP METRO policy + procedure or Texas U.S. Constitutional law; HE also told her HE'd done nothing wrong because HE was defending HIS natural law + civil rights under attack by Operator ID # 600348 + the other drivers.

(15 + 27)

So then ~~she~~ HE she + Operator ID # 600348 waited for CAP METRO Security (APD) to arrive on scene.

↳

~~Actually~~

However, in the meantime,
white female supervisor tried
offering HIM a ride to
HIS destination in ~~the~~
METRO Operations vehicle
10000, which HE rightly
refused because HE did not
want white female supervisor
driving HIM anywhere &
because HE did not want
to exit the bus because ~~the~~
HE had the ~~the~~ legal right
to ride that bus to HIS
destination stop; that's
why HE also refused to
exit bus # 5063 to ride
a different 003-northbound
bus. Plus white female
supervisor ~~is~~ is not
to be trusted or be
allowed to control non-Black
male passenger with luggage
in any way.

(16 of 27)

For example, while they were waiting for APD to arrive on scene, white female supervisor refused to identify herself when directly asked to, which also violates (AP METRO policy + procedure as well as Texas law because she is legally required to ID herself when directly asked because she is a public servant, per Texas Penal Code 1.07(a)(4)(A).

(17 of 27)

Even if she does not want to give out her legal name, she is ~~is~~ legally required to provide an official work name, like "S-O" for example, which she did not do.

Then, Officer Paap, #5659, arrived on scene at about 11:55 AM. ↵

Officer Paap approached
non-Black Male Passenger with
luggage + asked HIM what
was going on.

So, non-Black Male Passenger
with luggage explained
everything in detail to ~~him~~
him.

Officer Paap heard everything
+ appeared to understand
how I stupid, childlike, ~~is~~
alien, + wrong Operator
ID # 600348 was + how
he should never should have
been called at for this
because non-Black Male
Passenger with luggage
did nothing wrong.

Yet he did tell non-Black
Male Passenger with luggage
that Operator ID # 600348 +

(18 of 27)

white female supervisor wanted
HIM off the bus for "yelling"
at Operator ID # 600348,
~~as~~ though that was the only
alien ~~that~~ ~~that~~ ~~was~~ way, apparently, to get that
"hunt witch"
to turn on the air conditioning
immediately without using any
physical violence against her
or turning it on HIMSELF.

(19 of 27)

Therefore, Non-Black Male
Passenger with luggage
refused to exit Bus # 5063
to NOT do what ~~operator~~
fatal fraudulent feminists
Operator ID # 600348 or
white female supervisor
wanted to not follow their
mislead to not allow them
to control HIM ~~because~~ because
HE had done nothing wrong.

Another words Operator ID # 600348
& white female supervisor were

trying to punish him instead of
reward him for rightly
defending his natural law + civil
rights as well as for standing
up for the natural law + civil
rights of his fellow
passengers. That's how
upside-down ass-backwards,
+ wrong 'the stupid alien
feminists truly are.

However, after Officer Paap
said he'd file a report about
all this, Case # 19-1260485,
documenting Operator
JD # 600348's anti-human
alien bullshit to hold
Operator JD # 600348 accountable
+ white female supervisor
accountable for her bullshit,
and that he needed no
information from non-Black
Male Passenger with luggage,
non-Black Male Passenger
with luggage chose to

(20 of 27)

Comply with Officer Paap's respectful request to exit Bus # 506B.

Still, when discussing the legal viability of CAP METRO trying to issue a criminal trespass ~~to~~ to non-Black Male Passenger with luggage if HE didn't exit the bus at CAP METRO's request, Officer Paap tried arguing that CAP METRO is like a gas station, who can refuse service to anyone by asking them to leave the property or get APD to issue a criminal trespass warning or citation if the person does not exit the property when asked.

(21 of 27)

So, Non-Black Male Passenger with luggage corrected Officer Paap, telling him that his analogy was wrong because a

gas station is a private business,
but CAP METRO is a public,
governmental entity that cannot
its customers ~~discriminate~~ similarly discriminate against
without just cause,
because doing so would be a
civil rights violation, which
is against the law.

Still, Officer Paap did say that
if non-Black Male Passenger
with luggage chose to ~~refuse~~
refuse Officer Paap's
respectful request to exit
Bus # 5063 HE could
direct Officer Paap to call
Blair Spines, head of CAP
METRO Security, to see if
~~he~~ Spines wanted to issue
a criminal trespass notice
or not, which would make
Spines legally liable for a
civil rights violation if he
did so without just cause.

(22 of 27)

↓

Still, Officer Paap did give
Non-Black male passenger
with luggage the official
case number for his official
police report for all the
problems Operator ID#
600348 + the white female
supervisor caused, including
documenting that white female
supervisor did not identify
herself when directly asked.

Therefore, Operator ID# 600348
made herself 54 minutes late
because Bus # 5063 was
stopped at 31st + Guadalupe
~~at 11:32 AM to 12:26 PM~~

↳ from 11:32 AM to 12:26 PM,
which also is ass-backwards
& wrong.
