

## **Annual Internal Review**

**This report covers the time period of 7/1/2018 to 6/30/2019**

### **Urban Transportation Commission**

**The Board/Commission mission statement (per the City Code) is:**

The purpose of the board is to serve as an advisory body to the city council, the city manager, and all other transportation-related departments concerning transportation-related matters including:

- transportation energy conservation matters;
- grant applications;
- streets and highways;
- bus and rail service;
- pedestrian and bikeway programs and projects;
- safety related programs and projects;
- provision for the needs of the mobility impaired;
- transportation franchise requests, renewals, rate adjustments, and hours of operation.

The commission shall:

- Review and make recommendations to the city council on all requests for taxicab permits, including annual permits and franchise permits.
- Annually review and report to the city council on the City's transportation system, including policies and programs.
- Review, study, and make recommendations to the Planning Commission on: transportation-related projects proposed for inclusion in the Capital Improvements Program; and plans and programs submitted by the Capital Area Metropolitan Planning Organization.
- Receive and study citizen comments and suggestions in all areas of transportation.
- In its deliberations: (1) recognize the relationship between transportation and economics, energy, safety, land use, neighborhood integrity, and environmental quality; and (2) consider transportation access to health care, employment, education, housing, and recreational facilities.

- Seek to promote close cooperation between the city council, other city boards and commissions, city departments, and individuals, institutions, and agencies concerned with transportation- related activities so that all similar activities in the City may be coordinated to secure the greatest public welfare.
- 1. Describe the board’s actions supporting their mission during the previous calendar year. Address all elements of the board’s mission statement as provided in the relevant sections of the City Code.**

**2. Determine if the board's actions throughout the year comply with the mission statement.**

The Urban Transportation Commission's actions throughout the year comply with our mission statement. Through offering feedback informally during briefings as well as adopting motions and recommendations, the UTC has served as an active advisory body to the city council, the city manager, and all transportation-related departments on transportation-related matters.

**3. List the board's goals and objectives for the new calendar year.**

The Commission has a strong interest in a high-capacity transit network, micro-mobility options, and, generally, in providing opportunities to reduce single-occupancy vehicle dependency.

The commission will weigh in on all transportation plans, policies and programs impacting the City of Austin including, but not limited to, the following:

- High capacity transit, including rail and Bus Rapid Transit
- Vision Zero Action Plan
- Austin Strategic Mobility Plan implementation
- Potential November 2020 bond election

- Land Development Code rewrite, as relates to transportation opportunities and especially transit-supportive density along Imagine Austin Corridors
- Capital Metro Project Connect
- Capital Area Metropolitan Planning Organization 2045 Transportation Plan
- Micro-mobility regulations
