Hi Andrew-

I oppose the demo of number PR 19-138148 - 1804 (1804e 14th st) . I live a street over and am fed up with the area not repurposing and saving houses that represent the true esthetic of the area. left a message last night on your VM opposing the demo of 1804 E 14th street as well.

You can reach me at [REDACTED] for further discussion if needed.
