Contributing Factors for Establishment of Professional Services Contract

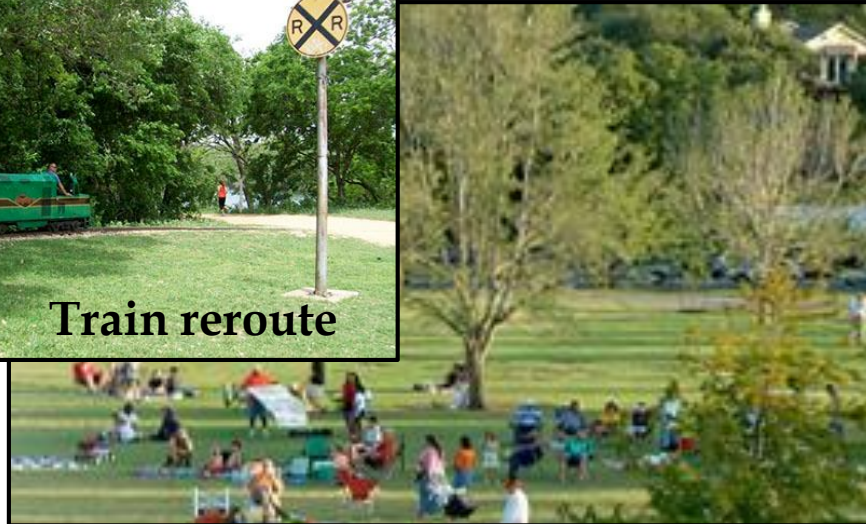

May 2019 storm damage

Barton Springs Pool Master Plan assessments

Train reroute

Zilker Park Master Plan development in progress

Contributing Factors *Explained:*

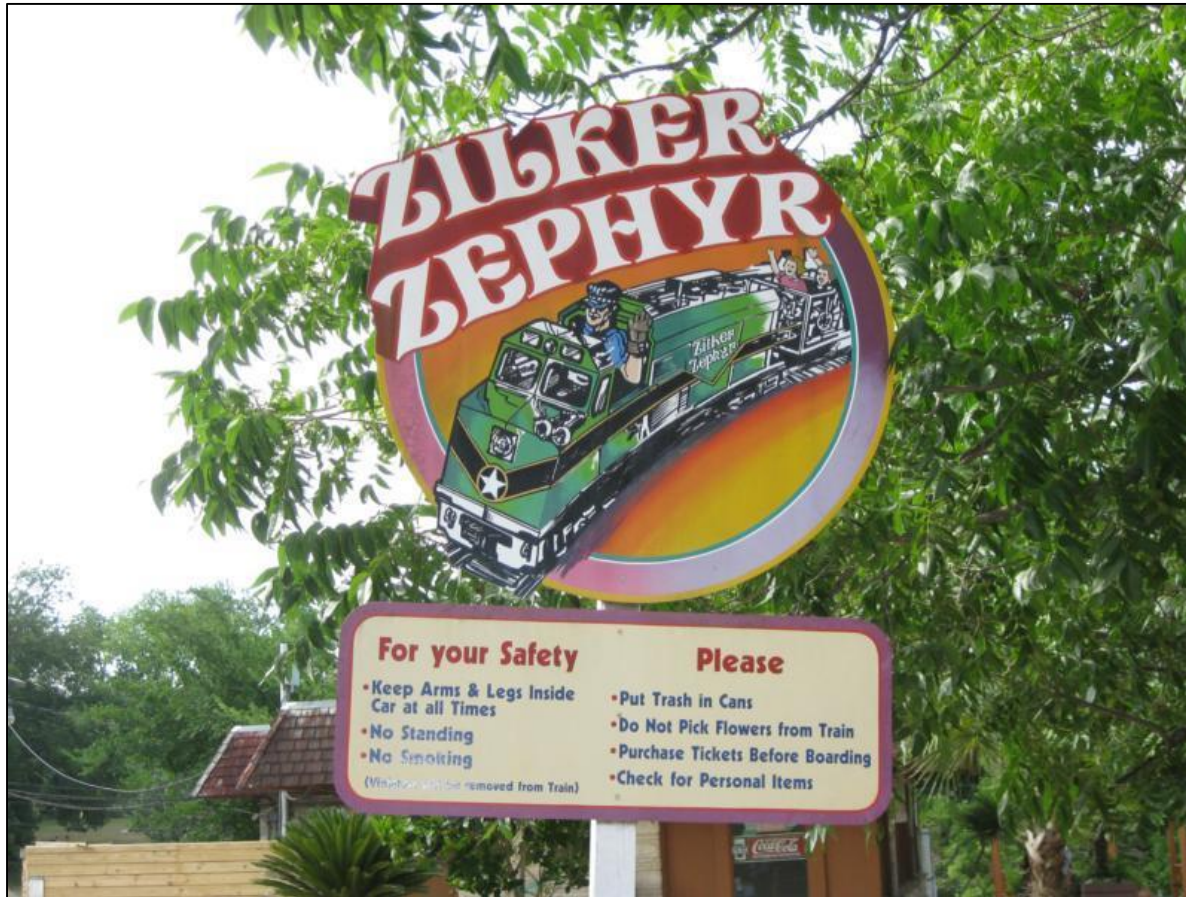

- Barton Springs Master Plan concession assessments recommended changes.
- A future Zilker Park Master Plan could have additional recommendations with substantive changes to current Zilker Park concessions.
- Delaying solicitation allows Zilker Park Master Plan to be adopted.
- Force Majeure event invokes contractor to suspend services.
- Establishment of a professional services contract would allow the vendor to recoup track repair cost.

Projected Revenue for Extended Contract

Fiscal Year	Revenue Estimate	
FY 20	\$0.00	Repair Planning & Construction Only
FY 21	\$60,000.00

	\$240,000.00	

Professional Services Contract Benefits

- The proposed professional services contract would:
 - Allow TEXAS SPECIAL, INC. to continue providing the iconic Miniature Train Concession to Zilker Park patrons for five additional years
 - Provide sufficient time for the current vendor to recoup the \$200,000 repair resulting from the May 2019, storm damage

Requested Committee Action

A recommendation to the Parks and Recreation Board to recommend to the Parks and Recreation Department Director the approval of a professional services contract authorizing Texas Special Inc. to continue providing the miniature train concession at Zilker Park for a five-year period.
