

As we continue to do more for our veterans, service members and their families within our community; the Central Texas VA Health Care System and the Department of Veterans Affairs is partnering with the City of Austin for the inaugural Austin VA Community Mental Health Summit this Friday August 16, 2019. There is a more detailed description below and the flyer is attached.

Multipurpose Hall – Building 8500

3401 Webberville Road

Austin, TX 78702

(Flyer attached)

Please join with us!

#BethereAustin - Joining Together to Promote the Well-being of Our

Veterans, Service Members, and Their Families

And Our Community

The purpose of the Summit is to encourage increased collaboration and coordination between the VA and its community partners; to promote awareness of and access to both VA and community resources and services; and to engage in active dialogue for creating new opportunities of support.
