

# Late Backup

August 22, 2019  
Item 83  
CM Ellis  
Motion Sheet 1

**Motion to postpone Item 83 with additional direction:**

Motion to postpone Item No. 83 indefinitely and direct the City Manager to include limited allowances for off-premise signs during the Land Development Code Revision Process. The allowances must be based on standards that are similar to those applied to freestanding on-premise signs and furthers the City's interests in protecting safety and visual aesthetics.
